

**PART-1 (Information about Institution Deemed to be University for year - 2018 )**

**1. Details of applicant Sponsoring body (Trust / Society/Company):**

**Basic Details :**

**Name :** Dr. D.Y. Patil Vidyapeeth      **Address :** Sant Tukaram Nagar, Pimpri, Pune - 411018, Maharashtra      **State :** Maharashtra      **City :** Pune

**Contact Details of the Authorities of the Institution :**

**Name of Vice Chancellor/Director :** Dr. N J Pawar      **Email :** vc@dpu.edu.in      **Mobile :** 9011093368      **Contact No. :** 02027805011  
**Name of Nodal Officer of Institute :** Dr. Payal Bansal      **Email :** payal.bansal@dpu.edu.in      **Mobile :** 9850266705      **Contact No. :** 02027805000

**Main campus of the Institution Deemed to be University :** Dr. D. Y. Patil Vidyapeeth, Pune (Deemed to be University)      **Notification No. and Date of declaration as Institution Deemed to be University :** F.9-39/2001-U.3 (1/11/2003 12:00:00 AM)

**Campus(es) approved by the Government of India(Notification No. and date):**

Campus Type	Campus Name	Notification No. & Date	Campus Address
Constituent Unit	Dr. D. Y. Patil Medical College, Hospital and Research Centre	No.: F.9-39/2001-U.3 Date: 11-01-2003	Sant Tukaram Nagar, Pimpri, Pune - 411018, Maharashtra
Constituent Unit	Dr. D. Y. Patil Dental College and Hospital	No.: F.9-39/2001-U.3 Date: 20-09-2006	Sant Tukaram Nagar, Pimpri, Pune - 411018, Maharashtra
Constituent Unit	Dr. D. Y. Patil College of Nursing	No.: F.9-39/2001-U.3 Date: 20-09-2006	Sant Tukaram Nagar, Pimpri, Pune - 411018, Maharashtra
Constituent Unit	Dr. D. Y. Patil College of Physiotherapy	No.: F.9-39/2001-U.3 Date: 20-09-2006	Sant Tukaram Nagar, Pimpri, Pune - 411018, Maharashtra
Constituent Unit	Dr. D. Y. Patil Biotechnology and Bioinformatics Institute	No.: 6-9/2002(CPP-I) Date: 16-03-2010	Mumbai-Bangalore Express Highway, Tathawade, Pune - 411033, Maharashtra
Constituent Unit	Dr. D. Y. Patil Institute of Optometry and Visual Sciences	No.: 6-9/2002(CPP-I) Date: 16-03-2010	Sant Tukaram Nagar, Pimpri, Pune - 411018, Maharashtra
Constituent Unit	Global Business School and Research Centre	No.: 6-9/2002(CPP-I) Date: 16-03-2010	Mumbai-Bangalore Express Highway, Tathawade, Pune - 411033, Maharashtra
Constituent Unit	Dr. D. Y. Patil College of Ayurved and Research Centre	No.: F.10-12/2016-U.3(A) Date: 23-02-2018	Sant Tukaram Nagar, Pimpri, Pune - 411018, Maharashtra
Constituent Unit	Dr. D. Y. Patil Homoeopathic Medical College and Research Centre	No.: F.10-12/2016-U.3(A) Date: 23-02-2018	Sant Tukaram Nagar, Pimpri, Pune - 411018, Maharashtra

**Accreditations Details (NAAC/NBA/others) :**

**Have You Qualified NBA Accreditation? :** No      **Total number of Courses (UG/PG/Research) :**      **Number of Courses accredited by NBA :**

**NBA Details required for 3 consecutive cycles :**

Name of Courses(UG/PG/Research) :	Current Cycle validity from :	Current Cycle validity to :	Current Cycle NBA Accreditation Document :
Name of Courses(UG/PG/Research) :	Current Cycle validity from :	Current Cycle validity to :	Current Cycle NBA Accreditation Document :
Name of Courses(UG/PG/Research) :	Current Cycle validity from :	Current Cycle validity to :	Current Cycle NBA Accreditation Document :

**NAAC Accreditation :**

**Have You Qualified NAAC Accreditation? :** Yes

<b>Current Cycle From Duration :</b> 2015	<b>Current Cycle To Duration :</b> 2020	<b>NAAC Score or equivalent grade :</b> 3.62	<b>Current Cycle NAAC Accreditation Document :</b> <a href="#">View Document</a>
<b>Previous First Cycle From Duration :</b> 2009	<b>Previous First Cycle To Duration :</b> 2014	<b>NAAC Score or equivalent grade :</b> 3.08	<b>Previous First Cycle NAAC Accreditation Document :</b> <a href="#">View Document</a>
<b>Previous Second Cycle From Duration :</b>	<b>Previous Second Cycle To Duration :</b>	<b>NAAC Score or equivalent grade :</b>	<b>Previous Second Cycle NAAC Accreditation Document :</b>

**Whether the information uploaded on the DTBU Web Portal has also been publicly disclosed on the website of the Institution duly certified by the Head :** No (J)

**2. NIRF participation and ranking during the last three years :**

Year	Institute Category	Rank
2019	OVERALL	70
2019	MEDICAL	20
2018	OVERALL	79
2018	MEDICAL	18

## PART-2 (Performance and academic outcomes for year - 2018 )

## 1. Department Details:

Sr.No.	Department	Faculty required as per UGC/ statutory council(s) norms			Faculty actually available			Year of Starting	Department wise teacher	Department wise student	Teacher Student Ratio	No of Courses
		Prof	Assoc. Prof.	Asstt. Prof.	Prof	Assoc. Prof.	Asstt. Prof.					
1	Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pune	131	68	128	131	68	128	1996	327	1772	5.00	56

8. Action taken to inculcate spirit of innovation/ entrepreneurship and critical thinking among the students and promote avenues for display of these talents:

Nature of Talent

Detail

To fulfil the objective of Innovation and Incubation as a pre-incubation unit "Start-ups and Innovation Cell" have been established in all the institutions. All these Start-ups and Innovation Cells are directly linked with 'DPU Incubation Center' registered under Section 8 of Companies Act 2013, "DPU Foundation for Innovation Incubation & Entrepreneurship". DPU Incubation Center is ecosystem partner of AIC Pinnacle entrepreneurship forum, supported by NITI Aayog, Government of India. All these Start-ups and Innovation Cells are very active in conduction of pre incubation activities like idea tinkering, ideation, workshop / seminars etc. In addition to this -

- Department of Scientific and Industrial Research (DSIR) has extended 'Scientific and Industrial Research Organization' (SIRO) recognition to DPU for a period of 3 years from 2017 to 2020 and further renewed for the period of 3 years from 2020-2023.
- Biotechnology Institute of the Vidyapeeth has received the prestigious 'DST-FIST' funding for the development of infrastructure and equipment for teaching and research, are some of the important research recognitions awarded to DPU
- The Biotechnology and Bioinformatics Institute has received funding from BIRAC through the BIRAC-GYTI award (Rs.15 Lakhs) for innovation and DBT funding in the area of Microbial Biodiversity with Praj Industries, Pune (Rs.801 Lakhs).
- Eleven patents have been filed from the Biotech Institute and Dental College in 2018-19 and several others are in the pipeline. One product on probiotics is being tested for commercial potential by "Agroinnovations India Pvt. Ltd." which will be given license for further commercialization.
- Faculty from Dental College has received a grant of 50 lakhs from Biotechnology Ignition Grant (BIG), Government of India.
- During the prescribed assessment period total Rs. 30.45 lakhs and Rs. 25.25 lakhs grants have been received from Government and Non-government agencies respectively.

#### **Training Activities:**

DPU has conducted total 8 training and capacity building programs on Innovation during the stipulated period. Link of Training Programmes: <https://dpu.edu.in/documents/other/Training-and-Workshops-on-IPR.pdf>

- Biotechnology Ignition Grant - Awareness talk for BIG grant was conducted by Venture Center, Pune (India's leading Inventive Enterprises Incubator) for sensitization of the faculty.
- Faculty (Dr. Swapnil Gaikwad) and Student (Mr. Jenith Mehta) attended One day mentoring session for Proof of Concept Contest (POC Concept – 2019). MHRD driven activities conducted on 26<sup>th</sup> July 2019.
- Students and faculty attended online IPR seminar delivered by Ms. Shweta Sree Majumdar on MHRD driven activities conducted on 10<sup>th</sup> January 2019.
- Online India's First Leadership Talk series attended by Students and faculty.
  - i. With Shri. Anand Mahindra (8<sup>th</sup> January 2019).
  - ii. With Shri. Ajit Doval (19<sup>th</sup> March 2019)
  - iii. With Prof. Anil D. Sahasrabudhe (22<sup>nd</sup> April 2019)
- Workshop on "Inspiring Innovation" (Institute driven activity conducted on 30<sup>th</sup> March 2019).

#### **Avenues for display of talent:**

- Poster making competition on the theme "Need of Innovation in Medicine for U.G as well as P.G. students was organised on World Innovation Day, 15th October 2019 by the Start-up & Innovation Cell with artistic posters and e-posters made by UG and PG students.
- National Business Plan Competition was conducted by Entrepreneurship Cell.

- The “DPU Foundation for Innovation Incubation & Entrepreneurship” (Corporate Identity Number: U85320PN2019NPL188312) under Section 8 of Companies Act 2013 as an Incubator to promote and incubate the start-ups has been established and inaugurated on 16<sup>th</sup> March 2019. It has the following objectives:
  - i) “To promote, support, nurture the translation of ideas and innovations emerging from the scientific, technological and knowledge capital at academic, technical, research and development as also other institutions into successful entrepreneurial ventures contributing to the economic development of the region and country by building incubation facilities.
  - ii) To support technology and knowledge-based ventures at their start-up phase, creation of networks between academia, industry and financial institutions and other such assistance as incubates.
  - iii) To create an environment for the growth and success of start-up enterprises arising out of pioneering scientific research and knowledge bases, by building and sharing resources, networks, competencies and expertise in key areas at the interfaces of technology and innovations, business and entrepreneurship and government and policy.
- Start-ups & Innovation Cells at all the Institutions are working on various fronts in association with DPU Incubation Center with the aim to:
  - i) Provide a comprehensive environment leading to development of Intellectual Property-(Product/Process).
  - ii) Facilitate, encourage, promote and protect methodical investigation and research and the freedom of the Stakeholders involved in R&D projects/U. G Projects/P. G Projects etc.
  - iii) Start an IPR and Start-up, based on policy and practical guidelines for making available to the public (students / staff / alumni of DPU and beyond), the inventions made in the course of projects carried out by them.
- Dr. D. Y. Patil Vidyapeeth endorses in letter and spirit the initiative of the Government of India to catalyze startup culture and build a strong and inclusive ecosystem for innovation and entrepreneurship in India. To provide research mentorship and imbibe the spirit of entrepreneurship in its staff and students, DPU has provided internal funding since 2009 in the form of seed money of Rs. 393.31 lakhs in last 5 years of which Rs. 67.52 lakhs were provided in 2018–2019.
- This has enabled the colleges to develop strong proposals and successfully obtain extramural grants
- Business Management Student Entrepreneurship Support Scheme, of Rs. 75000 has been constituted for students.
- The Innovation Council undertakes activities to create awareness among students and faculty for nurturing new ideas and development of innovative products. They also undertake review of these products and ideas and shortlist potential ideas and products for refereeing to Incubation Center for further processing. (Patent Filed / Published / Granted: 11; BIG Grants: 2)
- The Incubation Center reviews these products and ideas, guides the students/faculty members for any modifications before taking them forward for further processing for patent filing/copyrights/products.
- Under this centre the process of filing patents and copyrights has been initiated with complete financial support from DPU.
- Regular meetings are conducted by the members of the Incubation Cells of the Vidyapeeth at different constituent units for identifying and nurturing the potential ideas. Weblink - <https://dpu.edu.in/incubation-Centre-committee.aspx>

Credit course work on Entrepreneurship/Innovation - Self or jointly with external agencies

- GBSRC has a full credit compulsory course on 'Entrepreneurship Development and Project Management' for the students. Mentoring and corporate guest speaker sessions are conducted to nurture innovation and entrepreneurship.
- DYPBBI Institute had introduced 2 certificate courses in the academic year 2018-19 to promote and motivate the students towards Entrepreneurship Development in Biotechnology. They are as follows:
  1. Certificate Course in 'Entrepreneurship Development in Biotechnology and Bioinformatics'.
  2. Certificate Course in Bioinformatics
- Educating more students to understand entrepreneurship and have the skill sets needed to succeed in the commercial world is of tremendous importance for translating discoveries into products, building companies and also providing the knowledge so that students can establish their own firms and companies

**Credit course work on Entrepreneurship / Innovation – Self or jointly with external agencies.**

The Vidyapeeth offers Academic flexibility to encourage students to think creatively to solve problems, pursue areas of their interest, innovate, explore their aptitude and be self-directed learners. 100% CBCS/Elective course system have been implemented in

- Dr. D. Y. Patil Biotechnology and Bioinformatics Institute,
- Dr. D. Y. Patil Institute of Optometry and Visual Sciences,
- Dr. D. Y. Patil College of Physiotherapy and
- Global Business School and Research Centre [GBSRC]

DPU Foundation for Innovation Incubation & Entrepreneurship in association with AIC Pinnacle Entrepreneurship Forum supported by NITI Aayog, Govt. of India have launched value added courses in the following area:-

1. Venture creation
2. Venture Launch
3. Entrepreneurship Development

Audites self study courses

MBA (Distance Mode)

Financial Support

Dr. D.Y. Patil Vidyapeeth, Pune is committed for the development of Innovation & Incubation Culture for new generation. All the financial supports for patent filing, copyright filing etc is provided by the University. In the year 2018-19, DPU has provided Rs. 4.98 Lakhs financial support to teachers for filing patents and organizing IPR workshops.

others

DPU Incubation Centre (DPU Foundation for Innovation Incubation & Entrepreneurship) is working towards inculcating innovation & entrepreneurship culture among students and faculty members. That includes:

- Mentor support
- Legal support
- Govt. Initiative content
- Seed funding
- Industry content/ Content Marketing
- Marketing support
- Co-working space
- Technical support
- Investor connect
- Access to accelerator support

#### **Innovation, Incubation and Entrepreneurship Model -**

- i. Faculty Driven Models,
- ii. Student Driven Models,
- iii. Alumni Faculty Driven Models and
- iv. Industry Driven models

The FIIE facilitates collaboration between Health/Medicine, Engineering and Technology by involving academia and industry in various projects.

#### **Achievements:**

- In a short period of 2018-19 total number of 11 patents are filed / published / granted and 2 technology transfers have been achieved due to these sustained efforts.
- A total of 933 Research papers have been published in Scopus indexed journals by the faculty with 10145 citations in last 5 years.
- The Vidyapeeth has signed 88 MoUs with various national and international Institutions for faculty exchange, student exchange and collaborative research projects.
- In all collaborative activities have taken place over a period five years. The list of Collaborative Activities are - [http://naacdata.dpu.edu.in/Supplementary/University/3-7-2\\_20817.pdf](http://naacdata.dpu.edu.in/Supplementary/University/3-7-2_20817.pdf)
- The MOU with University of Skövde, Sweden in the area of environment and health protection has resulted in generation of five national patents, regular faculty and student exchange programme under the Linnaeus-Palme Teachers' Exchange Program.
- These MOU's have enhanced the quality of teaching-learning process, research activities, upgradation of facilities and services and also contributed towards the enhancement of quality of publications in leading national and international journals as well as attracted financial assistance for collaborative research projects.

#### 10. Additional Information :

1. Whether Learning-outcome based curriculum framework (LOCF) adopted? If yes, details. : Yes

1.1 Name of Programme: Others

1.2 Name of Other Programme: Self-Designed Outcome based Curriculum based on UGC and respective regulatory council guidelines MCI, DCI, INC, CCIM, CCH, AICTE is implemented by all constituent units.

1.3 Learning-outcome based curriculum framework (LOCF) :

Dr. D. Y. Patil Vidyapeeth [DPU], Pune has nine constituent institutes under its ambit offering undergraduate, postgraduate (Degree and Diploma), Fellowship, Super Specialization, Certificate and Doctoral Degree Programmes, approved/ recognized by respective Regulatory Bodies. The Vidyapeeth has Faculties (8), Boards of Studies (BoS) (14), Academic Council (AC) and Board of Management (BoM). by whom curricula are developed and implemented.

The curriculum design and development process takes into consideration the local, national and regional needs as well as global health needs and follows guidelines of UGC and regulatory councils i.e. Medical Council of India [MCI], Dental Council of India [DCI], Central Council of Homeopathy [CCH], Central Council Of Indian Medicine [CCIM] Regulations, Indian Nursing Council [INC] and All India Council of Technical Education (AICTE). Inputs are taken from institutional faculty, alumni and experts. This has helped to design the curriculum in a systematic way.

For Curricular revisions recommendations of the Regulatory Bodies, feedback from teachers, students, employers, alumni and professionals are taken into consideration. Faculty members in the Curriculum Committee, Board of Studies, Faculty, Academic Council and Board of Management participate in the process.

In keeping with the national and WHO goal of "health for all" and as per regulatory directives for undergraduate and postgraduate education for health professionals to be competent, ethical, research oriented and socially responsible and accountable, the programmes of DPU are designed to provide requisite knowledge, skills, attitudes, values and responsiveness, to function appropriately and effectively as a first contact of the community while being globally relevant.

Students should be competent to apply their knowledge and skills to daily practice to diagnose diseases and plan treatment, communicate effectively, provide excellent patient care and demonstrate leadership such as ability to mobilise community resources for healthcare.

According to the above principles, the Learning Outcomes in the form of Program Outcomes(POs) and Course Outcomes(COs) developed are clear, specific and measurable and are continuously reviewed to be fully aligned with local, national and regional goals to ensure their relevance to the desired expected outcomes. Graduate Program Outcomes (POs) include

- Knowledge and Skills
- Planning and problem-solving abilities
- Communication
- Research Aptitude
- Professionalism and Ethics
- Leadership
- Societal Responsibility
- Environment and Sustainability
- Lifelong Learning

It is ensured that curriculum encourages entrepreneurship and provides course specific professional skills, confidence to help them start their own ventures by way of introducing value added courses.

Continuous quality improvement has been ensured with focus on attainment of outcome competencies, addition of new content as per need, employability, entrepreneurship and skill development. This is reflected in the student assessment and performance, and student placement and alumni, course examinations by formative and summative assessments including mid-term and term-end assessment, performance in the professional examinations, classroom tests and assignments, exit interviews of students, assessments by supervisors based on tutorials, seminars, workshops, student- projects and poster sessions.

2. Whether curriculum is revised at regular intervals? If yes, period of curriculum revision: Yes

2.1 period of curriculum revision: Annual

3. Information Communication Technology (ICT) being used by the Deemed to be University for effective teaching learning:

DPU has systematically planned its growth and development of ICT infrastructure of the Campus, Hospital and institutions besides support facilities required for professional education and health care. Maximum thrust is given to ICT enabled pedagogy. The DPU-Enterprise Resource Planning (ERP) Learning Management System (LMS) developed in-house and also SWAYAM helps teachers to upload their lesson plans, presentations, associated videos, figures, flipcharts, documents etc. to enable students to access these resources within and off campus. The Centralized Data Centre and Wi-Fi enabled campus helps in facilitating uninterrupted access to learning resources and e-library.

#### ICT-enabled tools for effective teaching

- Modern ICT facilities (including more than 1GB bandwidth internet and computers (1071) have been provided to make the campus an "e-campus."
- Multimedia teaching aids like, LCD projectors, smart classrooms, lecture capturing system, biometric based attendance, virtual classroom for webinars/video conferencing/cybernetic device enabled classrooms (367), demonstration room (145), practical Labs (107) and seminar halls (48) form state-of-the-art ICT enabled facilities. DPU also has ICT enabled research and instrumentation laboratories including Centre for Regenerative Medicine Laboratory, Advance Molecular Diagnostic Center that play a significant role in teaching-learning-training of students and faculty.
- State-of-the-art ICT facilities such as Wi-Fi, web-based learning facilities, lecture capturing system are used in classrooms (367) and laboratories (252) for teaching-learning and research.
- Teachers are encouraged to adopt blended learning method using technological equipment along with traditional lecture method. 'Clinical Global Health Education' in collaboration with Johns Hopkins University School of Medicine has been implemented successfully since last seven years.

#### ICT-enabled tools for effective learning process

- All the students have online access to DPU-ERP through individual logins to view lecture content and other e-resources uploaded by the teachers. They can also search Library and other e-resources using DPU-ERP.
- With technological advancements each department is equipped with state-of-the-art ICT based equipment like PACS, computer-aided diagnostic, therapeutic/surgical options and patient services, research-based tools, thus providing exposure to the student regarding the latest equipments.

#### Uses of online e-resources in teaching-learning process

- All the constituent colleges/institutes have state-of-the-art library with rich collection of print, e-books and subscribed standard databases (including NPTEL, J-GATE, SWAYAM, National Digital Library, EBSCOHOST, Elsevier-Clinical Key, Elsevier-Clinical Flex, e-shodhsindhu, World E Book Library, Shodhganga, DELNET) with facilities for more than 60,000 e-resources accessed by students and faculty.
- Teachers use the latest software tools to create e-content for the students learning and online e-resources platforms like DYNAMED PLUS (521 hits), Rehabilitation and Sports Medicine/Reference Sources (7654 hits), Dentistry and Oral Sciences Sources (7435 hits), CINAHL PLUS/Nursing Reference Center (5708/7638 hits), Biomedical Reference Center (6319 hits), SWAYAM (Number of hits: 1200), MOOCS (1500 hits) are used extensively by students and faculty.
- Small Private Online Courses (SPOCs) and Massive Open Online Courses (MOOCs) as technology enabled learning environment in DPU-ERP is being developed.
- All e-resources are accessible to students /teachers at institutions, centralized e-library and on mobile phones (anytime, anywhere and anyplace)

4.1 Class rooms with ICT facilities like LCD, Wi-Fi, etc: Academic infrastructure of nine constituent units includes 67 well-equipped Classrooms like LCD, Wi-Fi, Smart Board, LAN, Audio-visual facilities, etc. In addition, there are 110 Laboratories, 150 Demo Rooms and 48 Seminar Halls.

4.2 Class rooms with ICT facilities like LCD, Wi-Fi, etc: Internet Bandwidth - LAN & Wi-Fi details: Internet bandwidth is increased to more than 1 GBPS with new managed Network switches. Wi-Fi services are available in classrooms, library and all the buildings of the Vidyapeeth. Total number of 414 Wi-Fi devices are installed in the Campus.

4.3 Class rooms with ICT facilities like LCD, Wi-Fi, etc: Studio or others Lecture Capture Systems for Course recording AV studio for preparation of e-content: Dr. D. Y. Patil Vidyapeeth has its own e-content development facility for learning innovations. This caters to the needs of students in providing access to the digital contents. The video recording studio is available to the faculty to create and disseminate digital contents such as high-end audio and video, high profile lectures and live broadcasts. Studio and on-location video shoots, editing, postproduction, video transcoding, podcast production and archiving are available. Lecture Capturing System (LCS): DPU makes use of lecture capturing where all classes are recorded in real time and made available on the Vidyapeeth online platform. It adds value to courses – as more and more students are demanding the flexibility and control that recorded lectures provide over their learning. It works especially well in subject areas where students benefit from repeated viewing of content.

4.4 Class rooms with ICT facilities like LCD, Wi-Fi, etc: Online course delivery module SWAYAM

4.5 Class rooms with ICT facilities like LCD, Wi-Fi, etc: Number of online courses developed- SWAYAM or other MOOC Portals 93 (MBA – 83 and Certificate Courses – 10)

4.6 Class rooms with ICT facilities like LCD, Wi-Fi, etc: Faculty : Computer Ratio 1:1

4.7 Class rooms with ICT facilities like LCD, WI-Fi, etc: Student : Computer Ratio 5:1

4.8 Class rooms with ICT facilities like LCD, WI-Fi, etc: Faculty : Computer

**Ratio** 1] DPU has implemented the Learning Outcome Based Evaluation (LOBE) model, where evaluation is linked to learning outcomes of the curriculum. 2] Faculty are trained in this model during the faculty development programmes conducted by DPU. Question paper setting is also discussed. 3] Periodic monitoring of Question papers is done for quality monitoring. 4] Exit outcomes are well defined in the curriculum, which makes them easy to assess. 5] The internal assessment to external assessment ratio is 20:80, 25:75 and 40:60 as per the guidelines of regulatory bodies. 6] Internal assessment is done using direct assessment, employing multiple methods like student logbooks, reports, exams, demonstrations, home assignments, workshops, project based learning and other elements of participatory learning. 7] Competency-based assessment: Competencies are assessed in the examination setting using tools such as Objective Structured Clinical Examination (OSCE) and Objective Structured Practical Examination (OSPE). 8] Workplace-based assessment: Mini-CEX (Mini-Clinical Evaluation Exercise) and DOPS (Direct Observation of Procedural Skills) have structured formats to enable direct observation by supervisors at workplace [OPD, wards, casualty, laboratories and OT]. MBA and Biotechnology assessments are according to the industry requirements. 9] Self-assessment: It includes written examination with MCQs, True/False, Essay and performance by looking at student logbook, portfolio, video etc. In management institute, presentations ensure communication skills and boosting the confidence of the students. 10] DPU has integrated learning outcomes/graduate attributes into the curriculum as per the provisions of UGC, AICTE, MCI, DCI, INC, CCH and CCIM etc. The detailed documents to highlight the learning outcomes/graduate attributes are uploaded on the Vidyaapeeth website. 11] It is ensured that Learning Outcomes for various programmes is placed before the BoM every year which includes Clinical skills, Practical procedures, Patient investigation, Patient management, Health promotion and disease prevention besides demonstrating knowledge about human structure, function and development from a molecular, cellular, biologic, clinical, behavioral and social perspective. 12] Further through the examination it is evaluated that Medical students possess the knowledge of medico-legal, societal, ethical and humanitarian principles that influence health care and demonstrate knowledge of national and regional health care policies including the National Health Mission that incorporates National Rural Health Mission (NRHM) and National Urban Health Mission (NUHM) frameworks, health care delivery, disease prevention, effectiveness, responsiveness, quality and patient safety. 13] In Dental stream, effective clinical problem solving, judgment and ability to interpret and integrate available data in order to address patient problems, generate differential diagnosis and develop individualized management plans that include preventive, promotive and therapeutic goals which are tested through practical examinations. 14] The student's ability to maintain accurate, clear and appropriate record of the patient in confirmation with legal and administrative frameworks has also been evaluated. 15] Attainment of Learning Outcomes is done by appropriate diagnostic tests and interpretation based on scientific validity, evidence and cost effectiveness and clinical context. 16] Graduate Attributes demonstrate ability to prescribe and safely administer appropriate therapies including nutritional interventions, pharmacotherapy and interventions based on the principles of rational drug therapy, scientific validity, evidence and cost that conform to national and regional health programs and policies are part of the assessment.

5.1 Whether CBCS adopted? If yes, details.: Yes

5.2 CBCS adopted Details:

1. 100% CBCS / Elective course system have been implemented in, Dr. D. Y. Patil Biotechnology and Bioinformatics Institute.
2. Dr. D. Y. Patil Institute of Optometry and Visual Sciences.
3. Dr. D. Y. Patil College of Physiotherapy and
4. Global Business School and Research Centre [GBSRC].

*[As per the MCI, DCI, CCH and CCIM, INC rules and regulations, the CBCS Elective course system are not applicable to Medical, Dental, Homeopathy, Ayurved and Nursing Institutions respectively]*

#### 6. Details of the Examination Reforms :

##### Examination procedures

- DPU follows the stipulated guidelines of respective apex bodies for conduct of examinations and regularly reviews examination processes and procedures for improvements.
- The academic calendar is prepared and approved by Board of Studies, Faculty, Academic Council and Board of Management and strictly followed for formative and summative examinations.
- The papers are set by both external and internal examiners by referring to the syllabus, including POs, COs and learning outcomes. Four sets of question papers are submitted. Moderator ensures that whole syllabus is covered by incorporating different levels of cognition.
- The printed question papers are coded and stored in the strong room with regulated access. These are handed over to the Centre In-Charge just half-an-hour before start of examination.
- University Examinations are conducted in respective constituent units under CCTV surveillance and provision of mobile jammers in examination halls.
- Papers are assessed through Central Assessment Programme (CAP) by strictly defined protocol including accuracy, efficiency and reliability of results with its declaration in shortest possible time.
- The average of total marks given by two examiners is considered for final computation. When difference in marks is > 20%, the said paper is evaluated by a third examiner. The higher two marks (by two examiners) that are closer are taken for final computation. Security features included in statement of marks are Micro Lettering, Water Mark, MICR Numbering and Hologram.
- DPU Examination Manual includes CAP, bye-laws concerning unfair means and general guidelines for 'All India Common Entrance Test'.
- The new UGC regulations for Ph.D. were introduced from the academic year 2017-2018.

##### Processes integrating IT

- Online filling of examination forms
- Online hall ticket distribution
- Online Fee Payment
- Proctor based online entrance examinations for various programmes.
- Online internal examinations and submission of marks
- Onscreen evaluation of theory papers

##### Continuous internal assessment system

- Progression of learning is ensured through Continuous Internal Assessment by adopting newer assessment methods to make student competent and learn to practice independently. Formative examinations are conducted by respective constituent units and marks are submitted to University.
- Summative-formative assessment (theory, practical and journal submission) mark-distribution ratio for Medical, Dental, Physiotherapy, Nursing, Optometry is 70-30 and Biotechnology and Management Sciences is 60-40

##### Competency-based assessment

- Miller's framework is used for competency-based assessment of learning outcomes. MCQs, SAQs and oral exams assess knowledge and problem-solving. Long-case, short-case, and Objective Structured Clinical/Practical Examination (OSCE/OSPE) assess clinical/practical performance.

##### Workplace-based assessment

- Mini-CEX (Mini-Clinical Evaluation Exercise) and DOPS (Direct Observation of Procedural Skills) have structured formats to enable direct observation by supervisors at workplace (OPD, wards, casualty, laboratories and OT). MBA and Biotechnology assessments are according to the industry requirements.

##### Self assessment

- MCQs/SAQs/LAQ test answers discussion by teachers, logbook/journals and photocopies of answer scripts provided to students, communication skills assessment in seminars and presentations, enable self-assessment and development of confident healthcare professionals.

##### OSCE/OSPE

- The OSCE/OSPE evaluate history-taking, patient examination, procedural and communication skills using checklists with feedback on performance.

#### 7. Details of the Evaluation Reforms (Whether UGC Report on Evaluation Reforms & other parameters adopted across the following)

7.1 Objective, Structure & Procedural Guidelines: Yes

7.1.1 Specify: 1] DPU has implemented the Learning Outcome Based Evaluation (LOBE) model, where evaluation is linked to learning outcomes of the curriculum. 2] Faculty are trained in this model during the faculty development programmes conducted by DPU. Question paper setting is also discussed. 3] Periodic monitoring of Question papers is done for quality monitoring. 4] Exit outcomes are well defined in the curriculum, which makes them easy to assess. 5] The internal assessment to external assessment ratio is 20:80, 25:75 and 40:60 as per the guidelines of regulatory bodies. 6] Internal assessment is done using direct assessment, employing multiple methods like student logbooks, reports, exams, demonstrations, home assignments, workshops, project based learning and other elements of participatory learning. 7] Competency-based assessment: Competencies are assessed in the examination setting using tools such as Objective Structured Clinical Examination (OSCE) and Objective Structured Practical Examination (OSPE). 8] Workplace-based assessment: Mini-CEX (Mini-Clinical Evaluation Exercise) and DOPS (Direct Observation of Procedural Skills) have structured formats to enable direct observation by supervisors at workplace (OPD, wards, casualty, laboratories and OT). MBA and Biotechnology assessments are according to the industry requirements. 9] Self-assessment: It includes written examination with MCQs, True/False, Essay and performance by looking at student logbook, portfolio, video etc. In management institute, presentations ensure communication skills and boosting the confidence of the students. 10] DPU has integrated learning outcomes/graduate attributes into the curriculum as per the provisions of UGC, AICTE, MCI, DCI, INC, CCH and CCIM etc. The detailed documents to highlight the learning outcomes/graduate attributes are uploaded on the Vidyapeeth website. 11] It is ensured that Learning Outcomes for various programmes is placed before the BoM every year which includes Clinical skills, Practical procedures, Patient investigation, Patient management, Health promotion and disease prevention besides demonstrating knowledge about human structure, function and development from a molecular, cellular, biologic, clinical, behavioral and social perspective. 12] Further through the examination it is evaluated that Medical students possess the knowledge of medico-legal, societal, ethical and humanitarian principles that influence health care and demonstrate knowledge of national and regional health care policies including the National Health Mission that incorporates National Rural Health Mission (NRHM) and National Urban Health Mission (NUHM) frameworks, health care delivery, disease prevention, effectiveness, responsiveness, quality and patient safety. 13] In Dental stream, effective clinical problem solving, judgment and ability to interpret and integrate available data in order to address patient problems, generate differential diagnosis and develop individualized management plans that include preventive, promotive and therapeutic goals which are tested through practical examinations. 14] The student's ability to maintain accurate, clear and appropriate record of the patient in confirmation with legal and administrative frameworks has also been evaluated. 15] Attainment of Learning Outcomes is done by appropriate diagnostic tests and interpretation based on scientific validity, evidence and cost effectiveness and clinical context. 16] Graduate Attributes demonstrate ability to prescribe and safely administer appropriate therapies including nutritional interventions, pharmacotherapy and interventions based on the principles of rational drug therapy, scientific validity, evidence and cost that conform to national and regional health programs and policies are part of the assessment.

7.2 Question Paper Design: Yes

7.2.1 Specify: 1] Multiple Choice Questions 2] One Sentence Answer Questions 3] Short Answer Questions 4] Structured Long Answer Questions (Problem based) 5] Competency-based assessment: Competencies have been assessed in the examination setting, using simulations with tools, study as an Objective Structured Clinical Examination (OSCE) 6] Written examination with MCQs, True/False, Essay and performance by looking at student logbook, portfolio, video etc. Presentations ensure communication skills and boosting the confidence of the students. 7] OSCE/OSPE: These have been introduced to evaluate clinical competency of Health Science Undergraduate students.

7.3 Credit Transfer: Yes

7.3.1 Specify: Dr. D.Y. Patil Biotechnology and Bioinformatics Institute, DPU has partnered with University of Skovde, Sweden for Linnaeus-Palme exchange program funded by SIDA, Swedish Council of Higher Education. In this program the student mobilities are permitted from both sides for academic and research purposes with exchange of credits. Accordingly, DPU has formalized the credit transfer for Linnaeus-Palme exchange students where the students complete 15 weeks or one semester at the host university and are evaluated by the host university. The home university accepts the credits and evaluation of the students involved in the cross mobility.

7.4 Grading Relative / absolute or other forms: Yes

7.4.1 Specify: The Vidyapeeth has introduced the grading system in the Faculties of Biotechnology and Bioinformatics /Management/Allied Medical Sciences as per the rules and regulation of the Vidyapeeth. The grades described are O, A+, A, B+, B, C+, C, D+, D, F.

7.5 On-Demand Examination: No

7.6 Evaluation Procedure: Yes

7.6.1 Specify: From the year 2015-2016, the Double Evaluation System has been introduced for both UG & PG Examinations. The answer book(s) except those of the PG Medical and Dental Programmes are assessed by two examiners separately. The average marks of the total marks given by two examiners are considered for final computation of the result and such average marks are obtained by the concerned examinee for the particular paper/subject as applicable. In case, if there is a difference in marks of more than 20% [Now changed from 20% to 15% marks from the Examinations of Nov./Dec. 2019] between two examiners, the said paper is evaluated by the third examiner. The average marks of the higher closer two examiners' marks amongst three examiners are considered as final marks. The answer books of Post Graduate Degree (Medical and Dental) examinations are assessed by the two internal examiners and two external examiners. The mean of the marks of all four examiners (Internal + External) are awarded to the student concerned. Double Evaluation Procedure for Assessment is as under: 1] All the answer book(s) shall be evaluated by the First Examiner at the Central Assessment Programme (CAP). 2] The CAP Director shall provide a separate mark list to the First Examiner to make entries of the marks in the mark list. 3] The CAP Director shall arrange for Evaluation of all the answer book(s) by the Second Examiner. The Second Examiner shall make entries of the marks in the second mark list separately provided. 4] The First and Second examiners shall not mention the question wise marks in the body of the answer books and on the front page of the answer books. 5] The Question wise marks be entered in the mark list by using Black pen only. 6] The marks be entered in the mark list as per the Pattern of the Question paper. 7] If the examinee attempts questions more than asked to attempt, the highest marks of the required numbers of questions/options shall only be considered. 8] The Examiner will sign on the front page of each Answer Book at the appropriate place provided. 9] The Vidyapeeth shall take average marks of the total marks given by two examiners for final computation of the result. Such average marks shall be considered as marks obtained by the concerned examinee for the particular Paper/subject as applicable. 10] If there is a difference of more than 15% marks between the two Examiners, the said paper be evaluated by the third Examiner and the average marks of the higher closer two Examiners marks be considered as final marks.

7.7 Security & Exam Malpractice Prevention: Yes

7.7.1 Specify: 1] The Question Papers are handed over to the concerned (Examination) Centre In-Charge just half an hour before the start of examination of the subject concerned where the system of day to day distribution of Question Papers is adopted. 2] Vidyapeeth Examinations are conducted in examination halls which are under closed circuit camera surveillance with mobile jammers. 3] Strict Vigilance during the conduct of Examination by Vigilance Squad.

7.8 Technology Adoption: Yes

7.8.1 Specify: 1] The System of Online Evaluation of Theory Papers of the Vidyapeeth Examinations has been adopted in phase-wise manner. In the beginning, the System is made applicable to the BBA Examination held in Nov./Dec. 2019. 2] Some exams in the Faculties of Management including Distance Learning, Biotechnology and Bioinformatics, Nursing and Optometry Programmes have been conducted in the First Half of the year 2020 through online mode and assessment of Answer Books has also been done online. 3] The Online Proctor Based All India Entrance Test for the admission have been introduced.

7.9 Option for slow & fast learners: Yes

7.9.1 Specify: The assessment of the learning levels of the students for advanced learners and slow performers • DPU ensures that the learning levels of the admitted students are assessed within a few months by various measurable criteria such as performance in the class, interaction with teachers, merit list in the entrance test and educational background. Special programmes for slow performers • The Vidyapeeth organizes special programmes for slow performers like extra-classes, remedial coaching/classes, total number, and tutorial sessions (total number). Besides above curricular efforts, individual attention and counselling sessions are emphasized as a part of mentor-mentee system and student-class teacher interaction to improve the academic performance and monitoring of academic progress of the student's continuously • Across all Faculties, various academic activities such as personal counselling, self-assessment assignments, bilingual explanations, revision of topics, sharing e-resources including videos, models etc., and mock tests are regularly conducted. • DPU organizes special English language and communication skills classes for students who have come from a vernacular background. Further, local language classes are also organized for students who are from other states to help them assimilate with the local students and society. Special programmes for advanced learners • Skill sharpening sessions are organized for advanced learners, along with motivation and training programmes, so that more students participate in research activities. • The Vidyapeeth encourages advanced learners to participate and present their research work in Oral and Poster presentation formats at National and International Conferences. Students also participate in seminars and quizzes to update their knowledge and skills. For Group Learning, PG students and seniors are made to act as students' peers. Individual colleges/institutes organize competitions at various events for advanced learners. • Advanced learners are also encouraged to take up short term research projects (STS-ICMR number-127) and publish their research work. Teaching staff plays an important role in mentoring the above students. • Constituent institutes encourage students to go for summer training by obtaining fellowships from the Indian Academy of Science and also by applying for the fellowship programmes of IISERs, CSIR, ICMR and DBT supported institutes. • At DPU, constituent institutes organize guest lectures/workshops/seminar (total events of 500). Biotechnology Institute initiated Saturday seminar series for the students. In such activities, scientists and academicians who are experts in the area of health disciplines from the national institutes and universities are invited as guest speakers. • DPU organizes competitive exam mock tests, counselling for higher studies, encouragement for participation in state, national and international competitions. • DPU facilitates student exchange program and linkages with nationally and internationally reputed universities (Total number: 120) for academic and research advancements. • DPU Merit Scholarship is offered to top 10% of advanced learners. Measurable outcome for slow learners: DPU adopts measurable criteria to assess the impact of special programs conducted for slow learners. Among the measurable outcomes, improvement in the class performance in terms of internal exam and external exam. Improvement in the problem-solving activities and participation in the project-based learning. Measurable outcome for advance learners: DPU analyzes the academic and research credentials garnered by advance learners students in terms of medals (60), awards (50), fellowships (2942), qualifying competitive exams (326 for Five years), higher studies progression (112 for 2017-2018), research publications (2000), conference presentations (200), extension and outreach activities (1500), participation in extra-curricular/co-curricular activities etc.

7.10 Innovations in assessment design , evaluation and multi -modal options for learners: Yes

7.10.1 Specify: 1] Competency-based assessment: Competencies have been assessed in the examination setting using simulations with tools, study as an Objective Structured Clinical Examination (OSCE) 2] Workplace-based assessment: DPU has adopted a Miller's focus work for assessing clinical competency performance. Management and Biotechnology programmes are assessed according to the industry requirements. For patient assessment, a structured checklist is designed to give guidance for assessors. 3] Self-assessment: It includes written examination with MCQs, True/False, Essay and performance by looking at student logbook, portfolio, video etc. In management institute, presentations ensure communication skills and boosting the confidence of the students. 4] OSCE/OSPE: These have been introduced to evaluate clinical competency of Health Science Undergraduate students.

7.11 Evaluation-Objective Alignment : Programme/Course: Yes

7.11.1 Specify: 1] Graduate Attributes (GAs) in all institutes articulate the generic abilities in undergraduate and PG programs. The Program Outcomes (POs) in these programs reflect the skills, knowledge and abilities of graduates regardless of the field of study. 2] Examinations not only assess student's grades, but also measure attainment of POs and desired learning outcomes have been achieved. Case Studies, Practical, Lab tests and other learning and assessment activities viva, presentations, group discussions are designed and organized to help students to achieve the learning outcomes. 3] A wide range of assessment methods like term papers, open ended problem-solving assignments, MCQs, SAQs are applied to ensure that assessment methods match with learning outcomes. 4] Internal assessment focuses on critical thinking, problem solving, application of knowledge, and not just rote-learning. 5] Outcomes and Objectives are well defined in the curriculum of various programmes, which make them easy to assess.

7.12 Others ,Please Specify: Yes

8. Whether student assessment is based on understanding of the concepts, and application thereof? : Yes

9. Number of the pass out students appearing for (last three years):-

Exam	Appeared	Passed
GATE	9	9
JAM	0	0
UGC-NET	0	0
GRE	8	6
IELTS	24	24
TOFEL	9	9
PGP-CET (State Govt. Exam)	74	63
PG NEET (MD/MS/MDS/SS)	188	97
IACLE-STE	112	36
Recruitment Examinations	7	5
Other Entrance Exams	7	7

**10. Student Progression (tracking of the student progress after completion of course):**

#### 10.1 Online with Details:

- Student progression is tracked and maintained through alumni activities, DPU alumni portal (<https://alumni.dpu.edu.in/>), direct communication and through social networking platforms. Both formal & informal communication is maintained with the alumni via these platforms. Alumni contribute significantly and in a variety of ways to the student progression.
- Various constituent units of the Dr. D. Y. Patil Vidyapeeth have vibrant alumni associations that are registered as per Societies Registration Act 1860, [Act No. 21 of Yr. 1860], an Act for the registration of literary, scientific and charitable societies, constituent units of DPU. They are as follows:

Constituent unit of DPU	Name of the Alumni Association	Registration No.
Dental College	DYPRootsAlumni Association	Maharashtra/1987/2006/Pune
Medical College	DYPMedalumni Alumni Association	Maharashtra/70/2007/Pune
Nursing College	DYPSeva Alumni Association	Maharashtra/1136/2007/Pune
Physiotherapy College	DYPPHysio'sAlum Alumni Association	Maharashtra/1519/2007/Pune
Homoeopathy College	Dynamis Alumni Association	Maharashtra/1850/2019/Pune
Biotechnology and Bioinformatics Institute	Dr. D. Y. Patil Biotechnology and Bioinformatics (DYPBBI) Alumni Association	Maharashtra/02/2020/Pune
GBSRC	Alumni Association of Global Business School and Research Centre (GBSRC)	Maharashtra/83/2020/Pune
Optometry	DYPIOVS Alumni Association	Maharashtra/91/2020/Pune
Ayurved College	Alumni Association of Dr. D. Y. Patil College of Ayurved and Research Centre, Pimpri, Pune	Maharashtra/125/2020/Pune

Weblink: <https://alumni.dpu.edu.in/>

- DPU has developed a portal for alumni on ERP to connect with each other. Students from all the branches and batches can connect with each other through the portal. The constituent colleges connect with the alumni through a registered email, to invite them on various occasions and programs keep them updated.

#### 10.2 Offline with Details:

- Alumni of all constituent units contribute significantly to the development of the institution. Alumni participate in various activities including conducting career advancement lectures on topics like challenges in the Professional practice, how to overcome difficulties faced in practice, career guidance, seminars on current trends, etc. for the professional development of the students. This helps the students in preparing themselves for growth of professional career in advance.
- Enthusiastic and energetic alumni of constituent units organize activities which mainly include Annual Meet, Extra-curricular activities, Blood/Organ Donation Camps etc.
- Alumni of Nursing have provided financial support to the students in the form of scholarships.
- Alumni have donated books and bone sets for the students.
- The Annual General Body meetings are held every year whereas Executive Committee meets twice a year. During alumni meet the review of the activities conducted during the previous year is taken and activities are planned for the forthcoming year. They also share their progress and job profile which inspires the present students and their fellow-mates.
- Feedback is taken from alumni regularly, which helps the constituent units in upgrading the curriculum considering current needs.
- Alumni also help to boost the placement activities of the constituent units by providing information on career opportunities/Jobs and to arrange campus interviews.

#### Distinguished alumni of DPU:-

1. Dr. Sujay Vikhe Patil (Medical), Member of the 17<sup>th</sup> Lok Sabha, Govt. of India.
2. Dr. Yashraj Patil (Medical), Trustee and Treasurer of Dr. D. Y. Patil Vidyapeeth Society, Pune.
3. Dr. Shruti Kapoor (Medical), Chancellor, Dr.A.P.J Abdul Kalam University Indore (M.P)
4. Dr Preeti Reddy ( Medical), CEO & MD, Malla Reddy Institute of Medical Sciences Hyderabad
5. Dr. Sudeep Kale (Physiotherapy), President, Maharashtra State Occupational Therapy & Physiotherapy Council
6. Mr. Faraz Zaidi (Biotechnology), involved in designing and testing corona virus vaccine, for the pandemic- COVID-19, at Wistar Institute, Philadelphia, USA
7. Dr. Shailesh Gavande (Dental), District Advisor of National Tobacco Control Program of Govt. of Maharashtra
8. Dr. Sagar Doifode IAS(Dental), District Development Commissioner
9. Ms. Shradha Pandey (Biotechnology), IPS Ministry of Corporate Affairs, India
10. Dr. Swapnil Chaudhari, (Biotechnology) Senior Scientist, Sartorius, Germany
11. Mr. Rahul Negi (Optometry), Consultant Optometrist, L. V. Prasad Eye Institute, Hyderabad

11. Implementation of measures for quality improvement as per the quality mandate of UGC (available on the UGC website [https://www.ugc.ac.in/pdfnews/9470862\\_letter-to-VCs-reg-Quality-Mandate.pdf](https://www.ugc.ac.in/pdfnews/9470862_letter-to-VCs-reg-Quality-Mandate.pdf)):

- DPU has implemented the UGC Learning Outcome-based Curricular Framework (LOCF), and also referring to the guidelines of regulatory councils. The desired learning outcomes are stated for knowledge, skills and attitudinal competencies that are specific, objective and measurable. Program outcomes (POs) and Course Outcomes (COs) are defined and PO – CO Mapping is done for comprehensive coverage.
- Teaching-learning is student-centric with a variety of methods to cater to all types of learners. Mentor-mentee system is well established and advanced as well as slow performers are mentored to enable them to achieve their full potential. SOPs for the same are in place.
- Outcome Analysis shows excellent overall performance in University Examination. This has ensured high percentage of employability and pursuit of higher degrees  
Placement Details: [http://naacdata.dpu.edu.in/Supplementary/University\\_5-2-2\\_20930.pdf](http://naacdata.dpu.edu.in/Supplementary/University_5-2-2_20930.pdf)  
Higher Education Details: [https://assessmentonline.naac.gov.in/storage/app/hei/SSR/104538\\_5\\_2\\_3\\_1603269056\\_4850.pdf](https://assessmentonline.naac.gov.in/storage/app/hei/SSR/104538_5_2_3_1603269056_4850.pdf)
- The constituent units schedule industrial and community visits of students through established linkages, healthcare camps and health awareness programs.
- The program outcomes include development of soft skills such as communication skills, leadership skills as also professional ethics, social responsibility, etc. for which programs are regularly conducted by all constituent units.
- The Incubation Centre has been newly established to promote the spirit of innovation/entrepreneurship and critical thinking among the students. Programs are regularly organized and financial support is provided for attending conferences for sharing and presenting their work besides filing of patents / copyrights / trademarks.
- Teacher strength is consistently maintained as per Regulatory requirements and the University Centre for Professional Education and Faculty Development trains the faculty (Gurudakshata) through regular conduct of workshops on latest and emerging trends in their respective domains of knowledge, and educational methodologies besides use of ICT to enhance their teaching skills.
- The quality enhancement processes as prescribed by UGC and in the NAAC Health Science University Manual are being diligently implemented by having regular meetings of the IQAC at University as well as constituent Units level. The performance reports and outcome analysis of the constituent units are reviewed from time to time for continuous quality enhancement.

12. Compliance to UGC's 10-point Quality Mandate with details:

DPU has ensured implementation of the UGC Quality Mandate by clearly instructing all constituent units to follow the same in letter and spirit. The details are as follows:

1. DEEKSHARAMBH: Induction programme for students are conducted by every constituent unit at the start of the academic term.
2. LOCF: Learning outcome-based curriculum framework (LOCF) has been implemented and curriculum revisions are carried out at regular intervals by Boards of Studies and approved by Academic Council and Board of Management.
3. JEEVAN KAUSHAL: The courses of various programs of the Vidyapeeth primarily focus on the acquisition of professional skills and competencies as mandated by the Regulatory Bodies and recommended by the Academic Council. This is reflected in an integrated curriculum.
4. SOCIAL AND INDUSTRY CONNECT: For every constituent unit the industrial visits and urban as also rural health check-up camps are organized for participation by the students under the guidance of the faculty. Industry internships, study tours and jointly organized seminars / workshops / conferences are conducted on a regular basis.
5. CARE: Two journals of DPU namely "Medical Journal of Dr. D. Y. Patil Vidyapeeth" (UGC-CARE ID:101002752) and "Journal of Dental Research and Review" (UGC-CARE ID: 101026423), which are included in the UGC-CARE list Group I and also indexed in Directory of Open Access Journals (DOAJ).
6. STRIDE: DPU had submitted the proposal for faculty development under the STRIDE scheme of UGC. However, because DPU is self-financed deemed to be university the proposal was not considered. We request UGC authorities to provide opportunities to self-financed Category-I Deemed to be Universities under this scheme.
7. SATAT: Construction of eco-friendly buildings with the provision of natural light and ventilation reduces the consumption of electrical energy during the day-time. The eco-friendly measures have been taken for enhancing the use of solar energy (1776KW) to cater to the needs, use of LED and power-efficient equipment. DPU is Solar Power Campus with ISO 9001:2015 and ISO 14001:2015 Certified.
8. MULYA PRAVAH: The curriculum integrates cross-cutting issues relevant to gender, environment and sustainability as also human values and professional ethics through the UNESCO Bioethics core curriculum. DPU organizes a number of events to mark important National and International Commemorative Days. These events help to inculcate spirit of nationalism and international brotherhood amongst the students and infuse them with a sense of responsibility towards society, nation and the world at large.
9. EXAMINATION REFORMS: Progression of learning is ensured through Continuous Internal Assessment by adopting newer assessment methods to make student competent and learn to practice independently.
10. GURUDAKSHATA: Induction training for all new teachers is conducted by the UCPE&FD. All constituent units have their Education Units which also regularly conduct training activities for their teachers.
- UNNAT BHARAT ABHIYAN: Every institution has adopted villages for exchange of knowledge and for the overall health/social/economic betterment of the village communities. DPU achieved 9<sup>th</sup> rank amongst the cleanest Higher Educational Institutes in the country in the Category of Residential Universities – UGC in Swachh Campus Ranking 2019 conducted by MHRD, Government of India.

13. IQAC meeting details - Last 3 meetings:

The salient points of last three IQAC meetings held on 16.07.2018, 24.01.2019 and 22.05.2019 are as below:

- In the meeting held on 16.07.2018, a status update and review of achievements of all institutions with respect to DPU Vision Document 2025 was taken. A review of progress of all institutions' preparation for AAA committee visit was taken to ensure proper guidance from the committee members for quality improvement. The institutions were directed to include the long-term projections and progress achieved in last 5 years to include in the Self Study Report. Dr. Vatsalawamy was appointed as Director-IQAC.
- In the meeting held on 24.01.2019, the Action Taken Report on the resolutions of the last meeting of the IQAC was presented. The proposal for establishment of DPU Incubation Centre of Dr. D. Y. Patil Vidyapeeth, Pune was considered. The mission, vision and objectives of the proposed Incubation Center were presented. The establishment of DPU Incubation Centre of Dr. D. Y. Patil Vidyapeeth, Pune, was approved and recommended to the Academic Council and Board of Management for its consideration. Formation of Advisory Committee and Executive Committee were suggested to effectively develop the centre in a phase wise manner. Recommendations for establishing working methodology, preparation of Standard Operating Procedures (SOPs) for various Phases of the Life Cycle, Incubation Center's Policy & Stakes, Supporting IP Creation and Tracking Execution. Benefits of Incubation Centre to the society and institutions were highlighted. The achievements of constituent Units were presented. These included establishment of Robotics Surgery facility and super specialty services in the Medical College, Molecular Diagnostics Laboratory was established following NABL and ICMR guidelines. Automation and rapid molecular diagnosis is expected to play vital role in diagnostic services. Similarly, Regenerative Medicine Laboratory was established after the necessary approvals from the Government Regulatory Authorities to offer stem cell therapy at reasonable price. Selection of projects for patent filing from 18 projects after review and selection of the best projects for funding was done.
- 22.05.2019 – The focus of the meeting was preparation for NAAC 2020. It was decided to invite expert committee for the review of preparations for NAAC 2020. Constituent units were asked to prepare fully for the visit of committee of experts. The documents required and prescribed by NAAC for the various programmes/activities are to be complied with and uploaded in a timely manner on the DPU-ERP portal for review by the experts. Suggestions received from committee of experts during their visit will be used in preparation of the final Self Study Report. The same will be evaluated by AAA committee during its forthcoming visit in mid June 2019. Outcome analysis of programme outcomes (PO's) and course outcomes (CO's) as per NAAC Health Science Manual for Universities under NAAC Criteria I i.e. Curriculum Design & Development is to be done as also sensitization of students regarding "Student Satisfaction Survey".

14. Whether approval of UGC/concerned Statutory Council(s) has been taken to introduce new courses? Yes

14.1 Statutory Council Name: Medical Council of India (MCI), University Grants Commission (UGC), Central Council of Indian Medicine (CCIM), Central Council of Homoeopathy (CCH), Board of Management

14.2 Statutory Council File: [View Document](#)

14.3 Details:

1. D.M. – Neurology
2. Fellowship in Breast Imaging
3. Fellowship in Sport Injuries
4. Fellowship in Paediatrics Critical Care
5. Fellowship in Siezure Disorder
6. Fellowship in Laproscopic Surgery
7. Fellowship in Pain Management
8. BBA
9. PG Diploma in Contact Lens
10. PG Diploma in Low Vision Management
11. BAMS
12. M.D. - Ayurved Samhita Siddhanta
13. M.D. - Rachana Sharir
14. M.D. - Kriya Sharir
15. M.D. - Rasashastra & Bhaishajya Kalpana
16. M.D. - Dravyaguna Vidnyan
17. M.D. - Agadtantra
18. M.D. - Rognidan Avum Vikruti Vidnyan
19. M.D. - Swasthavritta and Yoga
20. M.S. - Prasutitantra Evum Streerog
21. M.D. - Kaumarbhritya
22. M.D. - Panchakarma
23. M.D. - Kayachikitsa
24. M.S. - Shalaky Tantra
25. M.S. - Shalyatantra
26. Ph.D. (in Ayurved Subjects)
27. BHMS
28. M.D. (Hom.) - Materia Medica

29. M.D. (Hom.) -  
Homoeopathic  
Philosophy
30. M.D. (Hom.) -  
Repertory
31. Ph.D. (in  
Homoeopathy Subjects)

15. Whether the intake is as approved by the concerned Statutory Council(s)? : Yes

16. A Whether national level merit based admission process has been adopted? : Yes

16.1 Adopted national competitive exams like JEE,GATE,NEET etc: Yes

16.2 Whether eligibility criteria for admissions as prescribed by Statutory Bodies is fully followed during admission?: Yes

16.3 If own-entrance exams, please specify mode of selection in details:

DPU has a well-defined transparent admission process through "All India Entrance Test" for all the courses which are not covered under NEET, complying with Norms of Regulatory Authorities.

17. Whether approval of UGC has been obtained for offering non-allied courses? If yes, details of the UGC approval: Yes

17.1 Non-allied courses details:

1. Fellowship in Breast Imaging
2. Fellowship in Sport Injuries
3. Fellowship in Paediatrics Critical Care
4. Fellowship in Siezure Disorder
5. Fellowship in Laproscopic Surgery
6. Fellowship in Pain Management
7. BBA
8. PG Diploma in Contact Lens
9. PG Diploma in Low Vision Management

11. Open and Distance Learning (ODL) and Online Mode :

Mode	Year of Starting	Course	ApproveByUGC
ODL Mode	2010	1	Yes

**Certificate:** This is to certify that all the information provided above is correct, to the best of my knowledge and belief. The Institution Deemed to be University shall adhere to the rules, regulations and guidelines of the UGC and Central Government issued from time to time.

**Note :** Signed by the Vice-Chancellor/Registrar & Seal of Institute

Name: Dr. N. J. Pawar

Sign:

Official Seal :

**VICE CHANCELLOR**  
**DR. D. Y. PATIL VIDYAPEETH, PUNE**
