Chancellor's Message

Dr. P. D. Patil

I am delighted to know about the release of latest issue of **DPU Newsletter**.

We are at the end of this academic year and at the beginning of a new session 2018-2019. The process of our students passing out and making their careers in their respective domains is going on and on the other side the admissions for the new session is just about to begin.

I am pleased to see the overwhelming response of the students seeking admission for the various programs under DPU. I look at this response as a reward for the excellent work and efforts taken by our highly trained faculty members and also due to the acclaimed performance of our alumni in their professional careers. I am confident that our faculty members and the students will continue to excel in their performance in the years to come.

It is a matter of pride and honour for us that today we are one of the leading & premium University not only in India but across the globe. DPU has been Re-accredited by NAAC with a CGPA of 3.62 on a four point scale at 'A' Grade & it is on the 47th rank in University Category and at the 76th rank in the Overall Category in India (under National Institutional Ranking Framework (NIRF) 2017, conducted by MHRD, Govt. of India, New Delhi).

DPU emphasizes on offering the highest quality of education and learning facilities for our students thus empowering them to look forward confidently into the future, knowing that they have the capabilities to meet the challenges of present-day global environment and I see this news letter as another step forward in the same direction.

I would like to congratulate the Editorial Team for coming out with this issue of the news letter.

My best wishes to all my colleagues and students.

God bless you all!

Vice Chancellor's Message

Dr. P. N. Razdan

Dr. D. Y. Patil Vidyapeeth, Pune popularly known as “DPU”, managed by Dr. D. Y. Patil Vidyapeeth Society, Pune, was declared as “Deemed-to-be-University”, under Section 3 of UGC Act 1956 in 2003. To start with, there was one constituent college i.e. Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pune. Later a few more constituent colleges were established and brought under the ambit of the DPU. Today the Vidyapeeth has 8 constituent institutions under its umbrella. All the institutions have the approval & recognition of the relevant statutory bodies to offer UG, PG Degree, Diploma, Super-Specialty, Fellowship, Certificate and Ph.D. programs in relevant and emerging disciplines. The Vidyapeeth has been Re-accredited by NAAC with a CGPA of 3.62 on a four point scale at 'A' Grade for the period of five years in 2015. The Vidyapeeth has been recognized with Scientific & Industrial Research Organization (SIRO) in 2014 for 3 years and we have applied for re-recognition in 2017. The Ethics Committee of the Vidyapeeth is re-registered upto 30th May

2019 by the Drug Controller General, Govt. of India. The Vidyapeeth is also an ISO 9001 : 2008 Certified University & it is on the 47th rank in University Category and is at 76th rank in the Overall Category in India (under National Institutional Ranking Framework (NIRF) 2017, conducted by MHRD, Govt. of India, New Delhi)

All these constituent colleges/institutions have dedicated faculty and state-of-the-art infrastructure with well-stocked libraries and well-equipped laboratories. Faculty members are devoted to the promotion of quality education by imparting quality instruction to the students. Through dedicated research Dr. D. Y. Patil Vidyapeeth, Pune, is having international collaborations for teaching, research, consultancy and for various faculty development and research programs. The Vidyapeeth has entered into MoUs with Thammasat University, Thailand. University of Hong Kong, London School of Training. "A bilateral agreement was signed between Dr. D. Y. Patil Vidyapeeth, Pune and University of Skövde, Sweden in Nov 2015 regarding student and staff exchange for academics and research. An MOU has also been signed between Global Business School & the Research Centre at University of Skovde (Sweden). Under the Linnaeus Palme program, University of Skövde and Dr. D. Y. Patil Vidyapeeth, Pune are having long-term collaboration in Biotechnology program supported by the Swedish Council for Higher Education. The Vidyapeeth has received research grants from external agencies such as ICMR, DBT, DST, DRDO, SIDA etc. The Vidyapeeth sanctions research grants to its faculties as seed money for larger research projects. Vidyapeeth has also established a University Centre for Professional Education and Faculty Development to recharge & rejuvenate the faculty.

Dr. D. Y. Patil Vidyapeeth, Pune formulated the 'DPU unit of UNESCO Chair in Bioethics' on 18th May 2015 and established DPU National 'Coordination Centre of Students' Wings of the UNESCO Chair in Bioethics, Haifa.

Through quality education, the Vidyapeeth empowers the students to look forward confidently to the future, knowing that they have the capabilities to meet the challenges of present-day global environment. Dr. D. Y. Patil Vidyapeeth, Pune, emphasizes on quality, clarity of vision, ability to draw out the best from the team and ensure's that all our institutes stand out for their quality of education as well as social work amongst the communities in the neighbourhood. Today, Dr. D. Y. Patil Vidyapeeth, Pune offers programs from UG to PG and its not just an institute that mechanically distributes knowledge, but it has gone a step further by offering an intellectually stimulating environment that encourages the power of thought and imagination.

Editor's Desk

Dr. (Mrs.) Smita Jadhav

We made a very modest beginning when we started this temple of education in the year 2003. Today, very humbly, we are proud to state that it has been a very fruitful journey wherein we have witnessed this seed blossoming into a tree offering various technical and functional courses. It is also a matter of pride for us, to have gained international footprint because of the various collaborations with foreign institutions of repute.

This newsletter brings to you glimpses of the hard work and efforts put in by the faculty members as well as the students. Be it the various research presentations, major research projects, significant publications in national and international journals, various visits in international and national conferences / workshops and seminars, insightful activities (co-curricular as well as extra curricular) conducted, various awards and fellowships conferred on our students and faculties, guest lectures conducted

– these are all indeed feathers in our cap! The growth indeed is an affirmation that this institution provides you the right ambience and resources to enable you to achieve your dreams. Thus, as we join hands with foreign institutions, we also are striving to create a generation which is not just academically strong but also a well-rounded personality with strong values, mental and emotional health. To achieve this, I am very happy to state that, we have added to our list of specializations / courses - in the field of Physiology, Urology, Otorhinolaryngology, Nephrology, Paediatrics, Biotechnology and Bioinformatics, Nursing, Optometry and Visual Sciences and at various levels. Further, DPU has always committed itself to create impressions that are deeper and thus, to reach more number of deserving and aspiring students, we have also increased our intake capacity for Nursing and MBA courses.

Our objective has always been that of creating and improvising on the various academic processes, designing and facilitating of various programmes - their delivery as well as assessment, and inter-phasing the Industry with the Institute for creating /updating the critical courses. This, undoubtedly enhances the relevance of the syllabus offered.

In this journey, alongwith imparting excellent academic inputs, we aim to build logical thinking in our students through appropriate practice and assessment so as to facilitate their decision-making skills.

Finally, let me conclude by stating to all the readers and students here that “There is a reason why you are here...find that out!” Once done, follow your heart, dream big, take one step at a time, absorb whatsoever you can from here, have the optimism to change the course of our society and contribute to a greater cause – a stronger you and a stronger India. I wish each one of you great success in your lives ahead.

World Hepatitis Day: 28th July, 2017

World Hepatitis Day (WHD) takes place every year on 28th July and brings the world together under a single theme to raise awareness of the global burden of viral hepatitis and to influence real change. Viral hepatitis is one of the leading causes of death globally, accounting for 1.34 million deaths per year - that's as many as HIV/AIDS, tuberculosis and malaria. In a collective response to these challenges, Department of Public Health Dentistry, Dr. D. Y. Patil Dental College and Hospital, Pimpri Pune organized an awareness program and screening camp at Jain English School, Kamsheth Pune.

Dr. Vini Mehta gave an effective power point talk for 10th standard on the theme Eliminate Hepatitis. Students participated in #Show your face to eliminate hepatitis campaign initiated by WHO. Dr. Pradnya Kakodkar, Dr. Vini Mehta and two interns screened 30 students aged 13-15 years for their dental problems and also delivered a health talk regarding oral hygiene maintenance. Students were referred to satellite centre of Kamsheth for comprehensive treatment.

National Cancer Awareness Day-7th November 2017

“Awareness.... Need of the hour”

According to Ministry of Health and Family Welfare, Union Health Minister Dr Harsh Vardhan has decided to remove all stops to lower the national cancer burden by generating awareness about early detection and avoiding leading cancer causing lifestyles. Cancer, if detected early, could be treated at a fraction of the cost that is incurred when diagnosed at an advanced stage. Its mortality rate is also lowered substantially if people report for screening when the earliest symptoms are manifested. Henceforth November 7 will be observed all over the country as National Cancer Awareness Day. It is high time we went into combative mode against this disease.
