# Chancellor's Message

## Dr. P. D. Patil

**Dear Students,**

Greetings and I am once again very pleased to share our latest Newsletter with you. In this Newsletter, we will be sharing some of the exciting discoveries and new knowledge generated in the last seven months. And while we will be highlighting individual faculty and students' accomplishments, we will also be recognizing that there are many other accomplishments to share about the exciting work and teaching going on every day at DPU.

Dr. D. Y. Patil Vidyapeeth (DPU), Pimpri, Pune is a premier institute of excellence, and we believe in the holistic development of our students. We believe in engaging in knowledge building for inclusive social development and molding globally competent and socially sensitive professionals towards social transformation.

The Newsletter forms a bridge between overflowing thoughts and artistic embellishment. It promises to kindle the imagination of the readers. I congratulate the staff and students who have used various mediums of expression to present their ideas. As long as our ideas are expressed and thoughts ignited we can be sure of learning, as everything begins with an idea. As our Late President of India, APJ Abdul Kalam said, "For excellence is a continuous process and not an accident."

I appreciate every student who shared the joy of participation in co-curricular and extracurricular activities along with their commitment to the curriculum. That little extra we do is the icing on the cake.

Best wishes....

# Vice Chancellor's Message

## Prof. (Dr.) N. J. Pawar

**Dear Students,**

Cultural activities have always been an integral part of students' academic pursuit. For, every activity Dr. D. Y. Patil Vidyapeeth, Pune (DPU) plays a significant role in overall development of the student.

The Vidyapeeth plans cultural and social activities that are aligned with the educational objectives of the institution and also according to requirements of the students. Whether the activities focus on sports, arts, music, science or other areas and co-curricular activities, they play a significant role in students' overall development, as well as screening talents and giftedness among students.

These activities assist students in adapting to real life scenarios and enhance their personal skills. It also helps them in bettering organizational, presentation, leadership and interpersonal communication skills. Not only that, these activities play a compelling role in enriching students on an emotional, cognitive, physical and social level. It also acts as a catalyst for the promotion of national integration, coexistence, cultural values, and general health and well-being of the society. Hence, organizing these activities is a must. The coordinators of these events at DPU spend considerable time in organizing, managing and balancing these activities so that it is attuned properly with the academic curriculum. At the learning area all our hospitals viz Medical, Dental, Ayurved and Homeopathy are NABH accredited and laboratories are NABL accredited.

All these activities provide every student opportunity to learn beyond subjects and the mere confines of a classroom. In today's times, the importance of these activities cannot be understated.

## Editor's Desk

### Dr. (Mrs.) Smita Jadhav

**Dear Students,**

**Welcome!!!**

Since our last DPU Newsletter, quite a lot has transpired. Another year and then some have passed, and we are here today, looking back in a year full of passages. The COVID-19 pandemic has become a new reality in our lives. However, it gave us an opportunity to CHANGE, to REINVENT ourselves, and to APPLY this re-invention to what we love; and we at DPU have been doing just that. We have always believed in ourselves and our goals. We are willing to take risks, have challenged ourselves, and overcome many obstacles. We have made the best use of the resources that have been available to us. As Martin Luther King Jr said, "If you can't fly, run. If you can't run, walk. If you can't walk, crawl. No matter what, keep moving." DPU has been forging its own path and plotting a new course. We consider that problems are not the stop signs, they are the direction maps.

This year too, we have surmounted various obstacles and have scored many goals and achieved many milestones. We have always remained committed to excellence in teaching, learning, and research, and to developing leaders who have made a difference globally; and we are still continuing with this endeavor. Faculty and students are always busy and active, pursuing interests and challenges, and watching life's carousel turn.

This Newsletter highlights the academic and co-curricular activities, achievements, and progress made by the students of the various Institutes of DPU. We hope you enjoy catching up, learning about the many facets of the Vidyapeeth.

It will give you a peek at the achievements and progress in the various streams like humanities, natural sciences, social sciences. The wide spectrum of articles in different sections gives me a sense of pride that our students and faculty possess the creative potential and original thinking in ample measure. Each article is entertaining, interesting, and absorbing. In these pages, you will also get a glimpse of creative pursuits like visual and performing arts.

We would like to congratulate the students whose papers are published in this issue of the Newsletter and simultaneously encourage all the students to contribute their research papers and articles for the successive issues of the Newsletter.

We look forward to keeping you posted on our progress on each of these vital fronts, and on the remarkable accomplishments of our students, faculty, and alumni. For everyone else, do good work, aim higher, and achieve your goals in life. As Saint Mother Theresa said...

"Life is an opportunity, benefit from it. Life is beauty, admire it. Life is bliss, taste it. Life is a challenge, meet it. Life is a duty, complete it. Life is a game, play it. Life is a promise, fulfill it. Life is sorrow, overcome it. Life is a song, sing it. Life is a struggle, accept it. Life is a tragedy, confront it. Life is an adventure, dare it. Life is luck, make it. Life is too precious, do not destroy it. Life is life, fight for it"

## **Dr. D. Y. Pail Vidyapeeth's Research and Development Cell**

As a part of capacity building initiative for faculty members and students (undergraduate, post-graduate and PhD) various training programs were conducted at various constituent units of the Vidyapeeth. After obtaining feedbacks from the stakeholders, a dire need was realized about the training and sensitization about the various key aspects of research paper writing. Exclusive training was planned in this regard and executed.

For uniformity of quality standards and strengthening the data and documentation process for research, innovation and extension across the various constituents' units, research and development cell along with IQAC conducted series of workshops in the month of July. As a part of internationalization of the Vidyapeeth, various seminars were organized on QS ranking and QS i-Gauge rating by qualified resource personnel. Various meetings were conducted in the month of June for awareness of various reputed databases for targeting the research paper publication. In addition, luminaries from international universities such as Dr. Shrikant Mane, Director, Genomic sequencing laboratory, Yale University, USA; Dr. Murphy, Harvard Medical School; a team of academicians and researchers from John Hopkins University, visited the campus for potential collaborative research projects.

- A Guest lecture on “Recent advances in Nuclear Medicine” was organized by the Department of General Surgery on 12<sup>th</sup> January 2022 by Guest speaker Dr. Shrikant Solav (M. D. Medicine, DRM Nuclear Medicine (Mumbai), FANBI), Practicing as Consultant in Nuclear Medicine for past 25 years.

- Magnanimity of the magnification

'Star EndoGyn', the three day National Conference of Pune Obstetrics and Gynaecological Society (POGS) was held at Dr. D. Y. Patil Medical College, Pimpri, Pune on 18<sup>th</sup> -20<sup>th</sup> February 2022 under the Stewardship of POGS, President Dr Sunita Tandulwadkar. The other Organizing Chairpersons of STAR EndoGyn 2022 were Dr. Kiran Kurtkoti and Dr. Hemant Deshpande

The conference was focused on Gynecological Endoscopy, the theme being 'She-the Star'. First of its kind in the country, this three day hybrid initiative included direct relay of over sixty surgeries by sixty eight experts on a virtual platform and was also being relayed for surgeons present at the DY Patil Medical College Auditorium physically. The most striking feature of this academic meeting is that the surgeries were being done free of cost. The conference also included key note addresses, panel discussions and technical sessions virtually from 9 am to 5 pm. Endoscopy is the art of doing surgeries through keyhole or natural orifices where magnification is used for the betterment of the patient. Hence this was a conference with "MAGNANIMITY OF MAGNIFICATION!" Today India is renowned worldwide for its outstanding endoscopic facilities and skills. Pune OBGY Society is always at forefront of Academics and organizing national conferences. Dr. D. Y. Patil Medical College has a vision of Spreading Education and Knowledge to grass roots.

- The workshop included lecture, display of Low vision aids instruments and live demonstration of problem faced by visually impaired people in which residents and faculty actively participated and interacted. Low vision aids help in patients with significant visual impairment that cannot be corrected fully with glasses, contact lenses or eye surgery. Low vision can impact people of all ages, but is mainly associated with adults over 60 years of age. The low vision specialist can prescribe appropriate low vision aids, best suited for the condition and teach how to use them.

- Women's day was celebrated on 5<sup>th</sup> March 2022 at 03:30 p.m. at Vidyapeeth Auditorium. On this occasion, Department had organized a programme on the occasion of Women's day on 5<sup>th</sup> March 2022. Faculty from the department of Medicine and residents gave lectures on the most common diseases in women like thyroid disorders and created awareness in many women on the Carcinomas (Breast, Cervix, and Thyroid) and its early detection. The undergraduates made posters on these various topics and nearly 50 people have attended this discussion and were educated about the same. On this occasion, diabetic camp was also held where nearly 100 people got their blood sugar levels checked.
- The Internal Quality Assurance Cell (IQAC) of Dr. D. Y. Patil Vidyapeeth, Pune has organized a celebration "**International Women's Day**" on 5<sup>th</sup> March 2022 in the DPU Auditorium. **Sangitacharya Dr. Swati D. Daithankar** was invited for a dance performance on this auspicious occasion, who is an internationally acclaimed Bharatnatyam exponent. The Chief Guest was **Hon'ble Dr. P. D. Patil, Chancellor, Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune** and Guest of Honor was **Hon'ble Dr. (Mrs.) Bhagyashree P. Patil, Pro Chancellor, Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune**.
- The event was graced by Dr. N. J. Pawar, Vice-Chancellor, Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune, Dr. A. N. Suryakar, Registrar, Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune, Dr. Amarjit Singh, Principal Director and CEO, Dr. (Mrs.) P. Vatsalawamy, Director Academics, teaching and non-teaching staff of the Colleges and Institutes under Dr. D. Y. Patil Vidyapeeth Society.

- Dr. D. Y. Patil Medical College, Hospital and Research Centre schedule "Launch of Embryoscope – IVF Centre, on 26<sup>th</sup> April 2022, with the hands of Padma Bhushan Hon'ble Dr. Vijay Bhatkar. 50 participants were present on the occasion.

## Dr. D. Y. Patil Dental College and Hospital

Dr. D. Gopalakrishnan presented 2 Scientific presentations at the Congress –

- 1) Determining accurate prognostic score for smokers using Miller-McEntire Periodontal prognostic Index at Preventive and Supportive periodontal care session
- 2) A Novel augmentation technique for management of Interdental Papilla at Clinical Applications and Emerging technologies and trends in Periodontal Plastic surgeries.

### Conservative Dentistry

#### Programme Report :

On the occasion of National Cons and Endo day Department of Conservative Dentistry and Endodontics organized a faculty development programme under IQAC initiative on 'Applications of Laser in Restorative Dentistry and Endodontics' on 3<sup>rd</sup> and 4<sup>th</sup> March 2022 from 9 am to 2 pm Adjunct faculty, Dr. Sucheta Sathe enlightened 40 participants including the post graduates and staff of the department of Conservative Dentistry and Endodontics on applications of Diode, Nd: YAG, and Er: YAG lasers through lecture and live demonstration. Hands on was conducted in the post graduate area where various clinical procedures like teeth bleaching, pulp polyp excision, class I, II, V cavity preparation, root canal access opening, root canal disinfection, etc. were performed.

On 4<sup>th</sup> April 2022, a CDE program was conducted by the Department of Oral Medicine and Radiology at Dr. D. Y. Patil Dental College and Hospital, Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune credited with 6 CDE points (Ref: MSDC/CDE/1896/2021-2022). The topic covered for the day was "CBCT workshop for general practitioners- A new era in dental imaging." The CDE program was open for all delegates who had keen interest in unfolding the mystery of CBCT. ### Dr. D. Y. Patil Institute of Optometry and Visual Sciences

#### Are Entrepreneurs Born or Made

Dr. D. Y. Patil Institute of Optometry and Visual Sciences in association with DPU foundation for **Innovation, Incubation and Entrepreneurship** organized a guest lecture on **16<sup>th</sup> February 2022** at 11:30 am via virtual platform.

The topic of discussion for the meet was “**Are Entrepreneurs Born or Made**” and it was graced by a renowned person in the field of optometry, **Mrs. Kunda Ganatra**, M. Optom. (Contact lens specialist.) The program was hosted by Sunidhi Sharma of 3<sup>rd</sup> year B. Optom. and it was commenced by welcoming the chief guest by our respected director Dr. Veshal Madan.

The guest lecture gave a brief insight on her overall life and professional career highlighting the importance of research and development and our inquisitiveness as a student in course of successful optometry career. She elaborated on how she developed an interest in contact-lenses because of her father Dr. S. H. Marathay who was a pioneer in contact-lenses and manufactured as well as dispensed PMMA scleral lenses. Adding on she talked about her practice fields including a fellowship in London Association of contact-lens Practitioners, fellowship in National Eye Research foundation (USA).

She has also served as Professor in Jnana Prabodhini, Bharti Vidyapeeth and other renowned institutes. She believes that growth and entrepreneurship have a dynamic relation and stagnancy in life can hamper the growth. Furthermore she encouraged the students to learn, practice work ethics and develop passion for work with positive approach.

Most importantly, she encouraged the students to take up research and put forth innovative ideas. The DPU Innovation and Incubation cell helps the students in this regard. It provides a support and opportunities to young, budding minds with novel ideas, innovation to help them present and patent their unique ideas and research works. The meet was concluded with Question-Answer session with the Guest where she interacted with the faculty and students. A vote of thanks was delivered by Mrs. Susmita Banerjee, Assistant Prof, DYPIOVS.
