Chancellor's Message

Dear Students,

I take great pleasure in connecting with you through this brochure. In the contemporary competitive landscape, acquiring a quality education serves as a gateway to success in various facets of life. I firmly believe that quality education is the antidote to ignorance. Dr. D. Y. Patil Vidyapeeth, Pune, is dedicated to providing a spectrum of professional programs within an environment that fosters the holistic development of young minds.

Our institute boasts state-of-the-art infrastructure and a highly qualified, dedicated faculty committed to ensuring a high standard of education aligned with the evolving needs of society. This commitment is reflected in the Vidyapeeth's recent reaccreditation (3rd Cycles) by the National Assessment and Accreditation Council (NAAC) with an "A++" Grade. Furthermore, all our hospitals, including Medical, Dental, Ayurved, and Homeopathy, hold NABH accreditation, and our laboratories are NABL accredited.

Having traversed the globe and visited numerous institutions offering professional education, including management institutes, I am pleased to affirm that at the Global Business School & Research Centre, we have embraced exceptional educational practices and teaching methodologies that stand on par with the best globally. The institute's atmosphere is conducive to student-friendly interactions, with our students consistently being our top priority.

I am confident that your experience at our institution will be enjoyable, and upon departure, you will emerge as a skilled and empowered individual poised to tackle the challenges of the world. I extend a warm welcome to our world-class Business School and wish you the utmost success in your educational journey and burgeoning career in the expansive field of management.

Dr. P. D. Patil
Chancellor

Pro Chancellor's Message

Dear Students,

I am honoured to convey my thoughts to you through this brochure. Education stands as the paramount catalyst for social change and plays a pivotal role in the betterment of society. Our message to students is encapsulated in the phrase, "The best way to predict the future is to create it."

Aligned with its commitment to academic excellence, Dr. D. Y. Patil Vidyapeeth, Pune (DPU), is unwaveringly engaged in comprehensive developmental initiatives, striving to establish itself as a world-class university. This commitment is evident in the continual expansion of infrastructure, faculty, research contributions, and the establishment of national and international linkages and collaborative initiatives. These efforts underscore DPU's global focus and dedication to developmental activities.

All our hospitals, encompassing Medical, Dental, Ayurved, and Homeopathy, hold prestigious NABH accreditation, while our laboratories are accredited by NABL. Envisioning an enlightened, cultured, and economically vibrant India shaped by education in diverse disciplines, DPU remains steadfast in its commitment to contribute to the nation's growth. This dedication aligns with the overarching goal of our Vidyapeeth and our aspiration to position DPU as a global hub for academic excellence in higher education.

Dr. (Mrs.) Bhagyashree P. Patil

Pro Chancellor

Vice Chancellor's Message

Dear Students,

I am delighted to connect with you through this brochure. Dr. D. Y. Patil Vidyapeeth has earned acclaim as an institution dedicated to delivering exceptionally high-quality education, placing a strong emphasis on interactive teaching methods and focused research across diverse fields. Our commitment to Academic Heritage, a World Class Faculty, State-of-the-art Infrastructure, International Teaching Pedagogies, an Excellent Learning Environment, Dynamic Research Culture, and a Focus on Overall Personality Development is widely recognized.

Innovating our curriculum is at the forefront of our approach, incorporating integrated modules, case-based and rapid cycle learning methods, and instilling concepts of patient safety and healthcare quality at all levels. Our colleges provide platforms for engaging in innovative research projects and impactful community service, fostering a vibrant atmosphere on our campuses. We firmly believe in the philosophy that complete education empowers students to be self-educated. Thus, our focus

lies not just on what students are taught but, more significantly, on what they have learned.

While celebrating these commendable achievements, we acknowledge that there is still room for growth, aspiring to reach even higher levels of academic excellence. I am confident that, with the cooperative efforts of our faculties across various institutions, which include experienced, knowledgeable, and caring mentors, we will successfully attain these objectives.

The accreditation of all our hospitals, encompassing Medical, Dental, Ayurved, and Homeopathy, by NABH, and our laboratories by NABL, underlines our commitment to global standards. To all parents and students, I assure you that we will persistently strive to provide quality education to the youth, adhering to processes and systems of global standards.

In choosing the Global Business School and Research Centre, Pune, for your pursuit of future dreams and professional objectives in the field of Management Education, I extend my heartfelt congratulations. On behalf of the entire Vidyapeeth fraternity, I warmly welcome you and wish you the very best in your academic journey.

Dr. N. J. Pawar

Pro Vice Chancellor

Dear Students,

In the aftermath of the unprecedented challenges posed by the Covid-19 crisis, the landscape of education has undergone a profound transformation. Traditional physical barriers have crumbled, and technological advancements have ushered in an era where learning can take place anytime, anywhere. Beyond the acquisition of degrees, the true essence of education lies in its ability to inspire innovation and challenge the status quo.

Founded in 2006, the Global School of Business & Research Centre (GBSRC) is dedicated to providing management education for aspiring leaders. Our guiding principle, 'Being students for life,' reflects our commitment to fostering management professionals who embrace a lifelong learning journey. To create an environment conducive to learning, we consistently evolve our teaching pedagogy and student engagement strategies.

The MBA program at GBSRC is meticulously designed to align with industry requirements, offering students the flexibility to "learn what they love to learn" through the Choice Based Credit System (CBCS). Recognizing that both business and education are dynamic and continually evolving, we understand the importance of keeping pace. As business education techniques advance and complexities increase, it becomes imperative for students to continuously upskill themselves.

At GBSRC, we are confident in our ability to equip students with the skills necessary to thrive in the ever-changing business landscape. I extend my best wishes to all of you and eagerly anticipate meeting you on our campus.

Dr. D. Y. Patil Vidyapeeth (DPU), Pimpri, Pune

Dr. D. Y. Patil Vidyapeeth (DPU), Pimpri, Pune was established in 2003. It is situated in Pimpri, in the city of Pune.

The city is steeped in cultural, educational and political history. Pune was the cultural capital of the Marathas and rightly it has earned the sobriquet as the 'Queen of the Deccan'. It is situated at the height of 575 meters above the sea level, on the Deccan plateau in the Sahyadri ranges. The city is surrounded by verdant hills and the pristine lakes. Due to the picturesque setting of the city coupled with its salubrious climate, it has become a home for many after their retirement! That is why the city is also known as the 'Pensioner's Paradise.'

The city has a rich legacy in education. It is called the "Oxford of the East," as it has the highest number of Colleges and Universities compared to any other city in India. About 25,000 foreign students from over 99 countries are pursuing their education in Pune.

It has a large number of reputed educational and research institutes, such as Savitribai Phule Pune University, Pune, Deccan College, College of Military Engineering (CME), Armed Forces Medical College (AFMC), Bhandarkar Oriental Research Institute, National Chemical Laboratory (NCL), National Defence Academy (NDA) National Center for Cell science (NCCS), National Institute of Virology (NIV), National AIDS Research Institute (NARI) and Information Technology park at Hinjewadi, etc.

Dr. D. Y. Patil Vidyapeeth (DPU), Pimpri, Pune is located at a distance of 13 km. from the Pune Railway Station and the Airport. The city is well connected to Mumbai and the entire country through rail, air and by road. The city also has an International airport!

Director's Message

Dear Students,

Welcome to Dr. D. Y. Patil Vidyapeeth's Global Business School & Research Centre (GBSRC) Pune.

GBSRC is known for its focus on real world skills and excellence in management education. The Regular BBA Program of GBSRC attracts students from all over the country due to its reputation for developing professionals with the right set of knowledge, skills and attitude that readily meet the requirements of the corporate world. The BBA program is designed on this well-established foundation to meet the requirement of contemporary Industry. Our approach to management education integrates Teaching, Research, Institution-building, Community-development and Knowledge-sharing.

Faculty at GBSRC is a blend of reputed academicians and industry experts which add to the richness of our students' learning experience. We have grown as an institution of higher learning year

after year. Our track-record of consistently matching up to the demands of the industry makes us very competitive to equip students pursuing management education with a comprehensive knowledge of varied management concepts and practices, while building on the past positive experiences of our students. The students of the program get much more than basic business knowledge as they benefit from the multiple perspectives provided by the richness of experience that GBSRC faculty members and the peer group provide.

The curricula at GBSRC are industry-oriented and end-user driven. GBSRC and the best business schools globally adopt case-based learning approach in their education, as well-written and administered cases in the classroom are one of the best tools for participative education in the field of management. In fact, this combination of rich and up-to-date curricula, a proven case pedagogical approach, high industry recognition and accreditations by national and international institutions/organizations is what makes a unique proposition for our students as well as to our several foreign collaborators.

In addition, our strong desire to produce 'Doers' and not mere armchair managers has resulted in developing the student into an all-round personality, as something central to our philosophy of education and not as a mere after-thought. We are confident that the BBA program will help make and, even more, significant difference to the corporate world in specific and to the field of management education in general.

With Best Wishes,

Dr. Manish Sinha
Director

Global Business School & Research Centre, Tathawade, Pune

The Infrastructure

Computer Lab:

GBSRC has been a strong believer in modern technology. Hence it houses Computer laboratory with the latest hardware & software packages, with high end PC network and twenty four hours broadband internet connectivity

Library:

The Institute has a spacious library with more than thirteen thousand books & dozens of periodicals including the latest publications in Management, International Business, Information Technology, E-commerce, etc. which always benefit the students. Silence is the key word here; hence students can concentrate fully on studies.

Smart Classroom:

GBSRC has a well-equipped seminar hall. It is acoustically and aesthetically well-designed and fitted with in-built Audio, LCD and Video Systems conducive for effective learning. It is best suited for guest lectures, seminars, workshops, symposia, etc.

Board Room:

GBSRC has a uniquely designed Board Room. The sitting arrangement has been done in a circular shape. Important meetings, debates, group discussions are organized here.

Spacious Lecture Rooms:

A classroom is the place where students and teachers interact with each other. The Institute has taken every care to provide comfort to its students. GBSRC has spacious, well-illuminated, ventilated and elegantly designed lecture halls. These lecture rooms are well- equipped to make use of the modern technology in the best possible ways.

Cafeteria:

The Institute has a Cafeteria, which is uniquely designed. Cleanliness and hygiene are given immense importance here. Canteen authorities always make it a point to provide the best quality food to the students. Students relish on some delicious dishes ,here, while having a chat with their friends.

Hostel:

GBSRC provides hostel facility to girls and boys students within its campus itself. The hostel is nothing but "a home away from home for the girls and boys " it is also safeguarded by the warden & security guards round the clock.

Co-Curricular & Extra-Curricular Activities

Communication Workshop:

Effective Communication has become the keyword these days. Hence, the Institute organizes a lot of workshops on communication skills to make the students fully aware of effective public speaking, presentation skills, writing skills, debates, and group discussions.

Industry Interface:

The Institute remains in continuous touch with the industry for overall development of the management students. The students are made to interact with the corporate world at frequent intervals so that they can imbibe corporate culture and norms followed over there.

Industry Visits:

As a part of Industry-Institute interaction programme, students and faculty visit various industries, giving the students a clear insight about the expectations of the industry from the fresh management graduates.

Parakram:

GBSRC takes pride in organizing its prestigious annual management event-Parakram. It is an opportunity for the management students to show their managerial skills. There are seminars, sports, debates, quiz competitions & cultural programmes during this event.

Inter-collegiate Events:

GBSRC always encourages its students to participate in various inter collegiate events organized by different institutes in Pune.

Parent - Teacher Interaction:

It is a unique feature of our institute. Parents & teachers interact with each other regularly to ensure the well-being of the students. This is another step towards helping the students adjust to a new environment and plan for their careers properly.

General Awareness:

In the present competitive age, one should be aware of the current affairs & if he/she is a BBA, it becomes even more important. Knowing this fact, GBSRC has hired the services of a professional organization for its students. In this module, the newsletters containing the current business affairs are sent to all the BBA I year, II year & III year students through email every fortnightly. The newsletter contents emphasize on the concerned specialization area chosen by the student as their specialization. The students also receive top five business news everyday on their mobile phones through messages. Based on this pool of information; their online exams are conducted. Moreover, the business quiz is also organized for the students to enhance their communication skills. As students get habituated with reading & appearing for the tests, they actually perform better in the 'Aptitude Test Round' at the final interviews.

Co-Curricular & Extra-Curricular Activities

In order to achieve wholesome development of the students and to groom them for global careers, the Institute always encourages students to take part in various activities conducted on campus. These activities develop their skills and prepare them to stand firmly in the corporate world.

Induction Programme:

It is conducted every year to welcome BBA freshers. Faculty, together with senior students, make sure that the freshers are welcomed with warmth. Eminent personalities having corporate exposure interact with the students and share their experiences. The main intention behind organizing this programme is to get the students acquainted with the Institute campus, faculty & staff. Various management games and activities help the freshers to build their outlook towards management course.

Outdoor Management Activities:

Classroom teaching has always some limitations. Hence Outdoor activities are organized to break the monotony of the classroom. It not only rejuvenates students but inculcates some qualities into them like discipline, team-work etc. and GBSRC always makes it sure to organize such outdoor activities camp at least once a year. We have OGMT programme, futsal, trekking.

Sports:

To build the stamina, sports are must. Keeping this intention in mind, GBSRC conducts some indoor as well as outdoor sports activities. In today's competitive age, to fulfill the responsibility of any difficult task assigned in corporates, one needs to be physically fit to actually achieve that. Hence, our students expands to various sports activities including Yoga and Zumba.

Student Counseling:

Students admitted to the 1st year of BBA Programme are generally from different parts of our country and at the same time, from different streams. So to integrate them and to make them feel comfortable, GBSRC arranges counseling sessions for the Students and Mentor - Mentee Sessions.

Personality Development Programme:

GBSRC strongly believes that one must be a good human being first, a complete professional next and finally a contributor to the society. And to follow this philosophy, various activities, workshops and seminars are conducted. The concepts like Time Management, Kaizen, Problem Solving methods, Creativity, Transactional Analysis, Team work, Business Etiquette, Leadership, Change management, Interview and Group Discussion Techniques are covered.

Yoga:

From ancient times, we have been practicing 'Yoga'. We, as Indians, should be proud of ourselves to have such heritage of 'Ayurveda' with us. In modern times also, to accept global challenges, one needs to be fit not only physically but also mentally. GBSRC organise Yoga Sessions' by Yoga experts.

DPU MUN Cognitive Exchange:

National and International Conference is a forum to bring together business people, researchers, scientists, software architects, and industry professionals to discuss innovative ideas and diverse topics on next generation of information technologies and services. Conference encourages & motivated students for writing research papers.

BBA Programme Information

Programme

The Bachelor of Business Administration is a AICTE approved, full time four (4) years undergraduate programme in management and it is divided in eight (8) Semesters.

Course Structure

A “Course” is a component of programme. Each course is identified by a unique course code. While designing curriculum, courses can have defined weightages. These weightages are called as credits. Each course, in addition to having a syllabus, has learning objectives and outcomes. A course may be designed to comprise lectures/ tutorials/ assignments/ project work/ case study/activity based learning /viva-voce etc. or a combination of some /any of these. First four semesters comprises of Core/general subjects. We offer optional subjects based on specializations in the first semester. After completion of forth semesters the students are supposed to undergo Summer Training project in an industry for a period of 2 months, preferably in the areas of specilsations.

Choice Based Credit System (CBCS)

We offered Choice Based Credit System (CBCS) for the BBA programme as per NEP 2020 at GBSRC, Which not only provides opportunities and channels to learn essential courses, but also allows students to explore extra paths of learning beyond core subjects for holistic growth.

The CBCS provides an opportunity for the students to choose courses from prescribed curriculum comprising of core, elective/minor or skill based courses. The courses can be evaluated by a Grading System, which is considered to be better than the conventional marking system. Thus a uniform Grading System has become a necessity in the entire Higher Education field in India. This will benefit the students to move across institutions within India and across countries. This uniform grading system will also enable the potential employers to assess the performance of the candidates.

Placement Assistance is given to all the students.

In spite of an economic downturn in business & industry, the persistent efforts of the placement team along with a bunch of fully motivated & duly trained students; we could achieve good placement annual record. At Global Business School & Research Centre, a continuous & consistent emphasis on practical training, soft skills development, English language improvement & personality enhancement exercises form an integral part of our daily activities right from the commencement of the BBA Programme. This emphasis on building an appropriate attitude towards corporate world & developing the required skill sets has stood us in good stead and the feedback received from the employers about our students has been extremely encouraging.

Global Business School & Research Centre provides eight specialization options for MBA course. Besides traditional specializations like Marketing Management, Human Resource Management, Finance, International Business; we provide business analytics, rural and Agri. Business Management Biotechnology & Bioinformatics Management, IT & Systems Management, Hospital & Healthcare Management, Pharmaceutical Management as specialization areas. Hence companies falling under various industries visit the campus.

In the last two batches, various companies from Manufacturing, FMCG/ Retail sector, IT, Consulting, Bio-technology, Pharmaceutical industry & Core Finance sectors visited the campus.

A committed team of specialists train & guide the students through intensive classroom demonstrations, mock group discussions & personal interviews. Students are grouped into various committees who assist the placement cell in evolving a broad policy framework & also to identify & design strategies to approach & invite different corporate groups & companies for campus interviews at our state-of-the-art campus.

Pre-Placement Talk :

The Pre-Placement Talk offers the corporate world an opportunity to interact with the students and get to know their prospective recruits better both for the summer and final placements.

Organizations make presentation which are vital in providing the students with the information about the organization and career prospects in which typical students concerns like job description, selection criteria, industry culture, remuneration package, scope for growth and cross functional exposure are clarified.

Summer Internship Programme :

Summer Internship constitutes an integral part of the BBA program and is valued for its relevance in management education. Summer Internship is positioned third year of the BBA program.

The Students are placed in different organizations for a period of 2 months on a specific assignment with their preferred areas of specialization.

As a part of the assignment, students are required to submit the project report. The presentation, made by the students, to the organization and the faculty, forms the basis for the evaluation of the project work.

Final Placement Process:

Placement process commences from the month of September every academic year for BBA third year students. The industry has sought and utilized the intellectual capital of GBSRC by participating in the final placement process. The real proof of the quality and effectiveness of any Business School lies in the acceptance of its graduates in the industry. The budding managers are absorbed by the MNC's Indian Giants and Public Sector firms, from this Campus.
