Chancellor's Message

Dr. P. D. Patil

Dear Students,

Welcome to Dr. D. Y. Patil Vidyapeeth, Pune...

I am once again very pleased to share our latest Newsletter with you all. The DPU is always on forefront for updating several important events.

We at DPU are committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We aim to prepare the young professionals to confidently and competently face the challenges of intensifying competition by imparting high quality technical and professional education coupled with appropriate

training and wide exposure to the state-of-art practices. Helping us achieve this are best practices, picturesque & inspiring setting and devoted team of faculty-members and administrators.

This year we have invited lot of eminent and successful international entrepreneurs and speakers across the world to motivate our students and gear them up with required skills and knowledge matching expectations of new competitive era. We have organized one day spiritual conference on rejuvenating medical minds by inviting BK sister Shivani for all medical professionals to strengthen their mental health.

This Newsletter covers everything of the exciting discoveries and knowledgeable events, Latest publication news, education research news, grants, and more incites generated in the last seven months and that highlights individual faculty's and student's accomplishments and educational training programs going on every day at DPU.

Best wishes to all my colleagues and students!

Happy Reading!

Dr. P. D. Patil

Chancellor

Dr. D. Y. Patil Vidyapeeth

Pro Chancellor's Message

Dr. (Mrs.) Bhagyashree P. Patil

Dear Students,

Greetings!

As we are drawing near to the end of the year, it is time to count our blessings and achievements. The different Institutes and the Vidyapeeth as a whole have grown exponentially in academics and in extracurricular activities. I am amazed by the efforts made by my students and staff to reach the pinnacle. Kudos, to them for their excellent teamwork and spirit. We have chronicled the achievements and efforts of the administrative, academic, and co-curricular activities of the Vidyapeeth here in this Newsletter.

Swami Vivekananda said, "Education is a harmonious combination of head, heart, and hands." Keeping these objectives in mind, Dr. D. Y. Patil Vidyapeeth, Pune, has forged its path ahead in the field of education. It is because we always settle for the very best! The Vidyapeeth has established practices and teaching methodologies that are unique and comparable to the best available in the world. Here, besides academics, students also gain intellectual wisdom and insight that gives power to their wings of thought and imagination.

Here, we believe that students should be prepared for a better tomorrow so that they can reach the acme of excellence. So along with academics, students are also encouraged to develop holistically. It's important that young people feel they have the ability to influence the outcome of their lives. We have always encouraged our students to reach for the stars. For every student, we follow a clear developmental path so that they can have a better chance at a life filled with choices and the skills to achieve goals.

Our late President of India, A P J Kalam said, "Students ought to think and think well. They should do everything to build up a new state of India which would be everybody's pride. I would like to ask yourself, what would you like to be remembered for? You should write this on a page, and that page will be the most important page in the book of human history. And you will be remembered for creating that page in the history of a nation."

I know that I can count on you all for the next coming years. Together we will create history and leave our footprints on the sands of time.

Wishing you all the very best....

Dr. (Mrs.) Bhagyashree P. Patil
Pro Chancellor
Dr. D. Y. Patil Vidyapeeth

Vice Chancellor's Message

Prof. (Dr.) N. J. Pawar

**Greetings from Dr. D. Y. Patil Vidyapeeth, Pune (DPU)
(Deemed to be University), Maharashtra.**

Cultural engagements have consistently formed an integral component of students' academic pursuits. Within this framework, every endeavor undertaken by DPU assumes a vital role in the comprehensive advancement of the student. The Vidyapeeth strategically orchestrates cultural and societal events that harmonize with its educational objectives and align with the students' needs. These activities span various domains such as sports, arts, music, sciences, and co-curricular undertakings, all of which profoundly contribute to students' holistic growth while also exposure their latent talents and aptitudes.

These diverse activities serve as a conduit for students to ac climate to real-world situations, thereby amplifying their personal proficiencies. Furthermore, they play a pivotal role in refining proficiencies like organizational acumen, public speaking, leadership, and interpersonal communication. Beyond these individual benefits, the impact of these endeavors resonates on emotional, cognitive, physical, and social planes, thus enriching students' lives comprehensively. Moreover, they stand as catalysts for fostering national unity, harmonious coexistence, cultural ethos, and the overall well-being of society, underscoring their indispensable role. At the learning area all our hospitals viz Medical, Dental, Ayurved and Homeopathy are NABH accredited and all laboratories are NABL accredited.

All these activities provide every student with an opportunity to learn beyond subjects and the mere confines of a classroom. In today's times, the importance of these activities cannot be undermined.

I extend my heartfelt congratulations to the Editorial Team for their outstanding work in crafting this Newsletter.

I wish a bright future for the University. My gratitude to all.

Prof. (Dr.) N. J. Pawar

Vice Chancellor

Dr. D. Y. Patil Vidyapeeth

Editor's Desk

Dr. (Mrs.) Smita Jadhav

Dear Students,

Welcome!

Since our last DPU Newsletter, quite a lot has transpired. Another year and then some have passed, and we are here today, looking back in a year full of passages. The COVID-19 pandemic has become a new reality in our lives. However, it gave us an opportunity to change, to reinvent ourselves, and to apply this re-invention to what we love; and we at DPU have been doing just that. We have always believed in ourselves and our goals. We are willing to take risks, have challenged ourselves, and overcome many obstacles. We have made the best use of the resources that have been available to us. As Martin Luther King Jr said, "If you can't fly, run. If you can't run, walk. If you can't walk, crawl. No matter what, keep moving." DPU has been forging its own path and plotting a new course. We consider that problems are not the stop signs, they are the direction maps.

This year too, we have surmounted various obstacles and have scored many goals and achieved many milestones. We have always remained committed to excellence in teaching, learning, and research, and to developing leaders who have made a difference globally; and we are still continuing with this endeavor. Faculty and students are always busy and active, pursuing interests and challenges, and watching life's carousel turn.

This Newsletter highlights the academic and co-curricular activities, achievements, and progress made by the students of the various Institutes of DPU. We hope you enjoy catching up, learning about the many facets of the Vidyapeeth.

It will give you a peek at the achievements and progress in the various streams like humanities, natural sciences, social sciences. The wide spectrum of articles in different sections gives me a sense of pride that our students and faculty possess the creative potential and original thinking in ample measure. Each article is entertaining, interesting, and absorbing. In these pages, you will also get a glimpse of creative pursuits like visual and performing arts.

We would like to congratulate the students whose papers are published in this issue of the Newsletter and simultaneously encourage all the students to contribute their research papers and articles for the successive issues of the Newsletter.

We look forward to keeping you posted on our progress on each of these vital fronts, and on the remarkable accomplishments of our students, faculty, and alumni. For everyone else, do good work, aim higher, and achieve your goals in life. As Saint Mother Theresa said...

"Life is an opportunity, benefit from it. Life is beauty, admire it. Life is bliss, taste it. Life is a challenge, meet it. Life is a duty, complete it. Life is a game, play it. Life is a promise, fulfill it. Life is sorrow, overcome it. Life is a song, sing it. Life is a struggle, accept it. Life is a tragedy, confront it. Life is an adventure, dare it. Life is luck, make it. Life is too precious, do not destroy it. Life is life, fight for it"

Dr. Smita Jadhav

Trustee and Executive Director

WORKSHOP/CONFERENCE/SEMINARS ORGANIZED IN THE COLLEGE/INSTITUTE CONTINUOUS EDUCATION PROGRAM

The University Centre for Professional Education and Faculty Development (UCPE&FD)

The University Centre for Professional Education and Faculty Development conducted the **Workshop on Fundamentals of Health Professions Education** from 22nd to 26th May 2023, at Dr. D. Y. Patil College of Physiotherapy. 28 participants from constituent units of Dr. D. Y. Patil Vidyapeeth took part in the training programme.

Sessions on various aspects of education including curriculum development, implementation and outcome analysis, learning principles, innovative teaching-learning methods and newer assessment methods were conducted during the five days. The sessions were interactive, with several hands-on activities and assignments with high level of learner engagement.

Dr. Mrunak Ketkar, Professor and MEU Coordinator from Bharati Vidyapeeth Deemed University Pune was invited as guest resource faculty. Dr. P. Vatsalaswamy, Director, IQAC and Dr. Gaurang Baxi, Additional Director, UCPE & FD were the in-house faculty. Dr. S. K. Kathpalia, Dr. Pramila Menon, and Dr. Maya Jamkar from Dr. D. Y. Patil Medical College, Pune; Dr. Shalini Aggarwal and Dr. Amita Aditya Dr. D. Y. Patil Dental College, Pune and Dr. Manish Arya from Dr. D. Y. Patil Homoeopathic Medical College, Pune, also contributed as resource faculty.

Hon'ble Vice Chancellor along with Participants and Faculty of Workshop on Fundamentals of Health Professions Education held from 22nd – 26th May 2023

Dr. D. Y. Pail Vidyapeeth's Research and Development Cell

Publications:

- Total publications of the Vidyapeeth by the end of July 2023 has reached up 4254.
- During the first half of 2023, Vidyapeeth has crossed the publication mark of 471 with papers in high-impact factor journals such as The Lancet, The Lancet Oncology, The Lancet Global Health, The Lancet Regional Health South-East Asia, etc.
- Faculty members have contributed to more than 25 books in the form of book chapters and editors for reputed publishers such as Springer Nature, Elsevier, and WHO.

Citations and h index:

- The overall citations of the Vidyapeeth has impressively jumped to 55,118, which is a testimony of quality of research publications.
- During the period of January to June 2023 total 855 new citations were added.
- During last 6 months the h index of the DPU jumped from 62 to 64 suggesting the consistency and focused approach of the researchers.
- With its establishment in the year 2003, DPU is one of the youngest universities with the fastest citations and h index growth rate. The DPU profile on IRINS is the testimony of these achievements <https://dpu.irins.org/>

Research Projects

- Currently, the project worth more than 228 lakhs is ongoing in various constituent units of DPU.
- During the last 6 months, Government research projects from the Department of Health Research and Biotechnology Ignition Grant (2) have sanctioned 34 lakhs and 98 lakhs, respectively.
- ICMR-STs grants for the promotion of research among undergraduate students have been declared for the year 2023. Total of 12 projects were principally approved by ICMR with 6 each from Medical and Dental College. The total grant amount for all the projects is 6,00,000/- INR.

DPU Seed Money

For effective research promotion, every year DPU provides seed money to kick-start research projects that need initial financial support. For the year 2023-24, DPU has sanctioned total 131.14 lakhs INR for 47 research projects.

Undergraduate Research promotion

DPU believes in fostering a culture of research among undergraduate and post-graduate students.

- On 12th and 13th April 2023, DPU has successfully conducted Unmesh: 2023 with the theme of Innovate to Elevate- Celebrating the Next Generation of Researchers. More than 350 students across the different constituent units of the Vidyapeeth, participated in eight different scientific competitions.
- Under the scheme of DPU-STs, Vidyapeeth has sanctioned a total 3.40 lakhs for 68 Short term research projects for the year 2023.

The award ceremony for the Unmesh: 2023 held at Medical Auditorium, DPU in presence of Hon'ble Chancellor Dr. P.D. Patil

Collaborations: The cell has established collaborations with various academic and research institutions, both national and international, to promote research and innovation. These collaborations provide opportunities for joint research projects, exchange programs, and academic partnerships.

Some of the prominent international collaborations are as follows:

- **Tashkent Medical Academy & Dr. D. Y. Patil Vidyapeeth, Pune (April 2023)** This agreement aims to establish organic relations in business cooperation between DYPU and TMA to promote exchange, cooperation, and clinical training between the two institutes.
- **Semey Medical University, Kazakhstan & Dr. D. Y. Patil Vidyapeeth, Pune (30th March 2023)** The subject of this agreement is the parties' strategic cooperation in education, clinics, business school, and science. Also, to improve the quality of research and education activities, cultural level, and promotion of common goals in learning, teaching, and practicing educational, clinical, and scientific spheres.

- **Dr. D. Y. Patil College of Physiotherapy, Pune signed MoU with Thumbay Physical Therapy and Rehabilitation Hospital, Ajman, UAE.** This MoU envisages clinical training of the students and faculties for the delivery of physiotherapy treatments.
- **Andijan State Medical Institute, Uzbekistan & Dr. D. Y. Patil Vidyapeeth, Pune. (17th April 2023)** This agreement aims for cooperation between the two universities will be undertaken from the perspective of promoting academics and cultural ties. This cooperation will include educational and research activities in all the areas and disciplines offered at the two institutes.
- **Andijan State Medical Institute, Uzbekistan & Dr. D. Y. Patil College of Ayurved & Research Centre, Pune. (17th April 2023)** This agreement aims cooperation between the two universities will be undertaken from the perspective of promoting academics and cultural ties. This cooperation will include educational and research activities in all the areas and disciplines offered at the two institutes.
- **Andijan State Medical Institute, Uzbekistan & Dr. D. Y. Patil Medical College, Hospital & Research Centre, Pune. (17th April 2023)** This agreement aims for cooperation between the two universities will be undertaken from the perspective of promoting academics and cultural ties. This cooperation will include educational and research activities in all the areas and disciplines offered at the two institutes.

The following are the potential proposed MOUs under consideration for future:

- **South Dakota State University, South Dakota.** We have had a catch-up with SDSU recently and they are quite interested in looking at partnerships in the field of pharmacy and biomedical sciences, especially for their MSc and PhD programs. They also have a focus on research and some of the areas they are interested in including cancer research, cancer vaccines, immunotherapy, nanotechnology, pharmacology.
- **University of Canterbury, New Zealand.** UOC and DYPU are exploring the possibility of establishing a joint research & teaching program to tackle challenges in various fields. This potential partnership aims to facilitate knowledge transfer and innovation in various fields. The University of Canterbury visited our campus on 16th February 2023. Further meetings were held in Mumbai as well as on zoom call.
- **Harvard Medical School, Boston, Massachusetts.** Discussion on the programs, Surgical Leadership, Certificate programs, Custom- made programs and facilitation of these programs at DPU and partnerships with Harvard Medical School.
- **Macquarie University, Australia.** Discussion on the collaborations in under process. As these partnerships continue to evolve, we remain committed to facilitating meaningful interactions and knowledge-sharing among our partner institutions. The exchange of ideas, resources, and experiences is a testament to our dedication to shaping the future of education and research.

Overall, the research and development cell of Dr. D. Y. Patil Vidyapeeth has been active and productive in the first half of 2023, and its achievements are a testament to the university's commitment to research and innovation.

DPU Foundation for Innovation & Incubation & Entrepreneurship

Activities Conducted

1. "National Youth Day" (12th January 2023) was Organized by DPU FIIE & Physiotherapy College,
2. Dr. D. Y. Patil College of Optometry & Visual Science has organized an Idea Hackathon on 12th January, Dr. Swarada Peerannawar - CEO, DPU FIIE was invited as Chief Guest.
3. "National Startup Day" (16th January 2023) was Organized by DPU FIIE & Homeopathy College,
4. Dr. D. Y. Patil College of Ayurved & Research Centre, Pimpri, Pune had organized a Guest Lecture on "Session on IPR & Its Commercialization" by Dr. Swarada Peerannawar - CEO, DPU FIIE on 1st February 2023.
5. Dr. D. Y. Patil College of Ayurved & Research Centre, Pimpri, Pune along with the constituent unit of DPU had visited to COEP Pune, Fab Lab on 3rd February 2023.
6. Dr. D. Y. Patil College of Physiotherapy Pimpri, Pune had organized a Guest Lecture on "Session on IPR Orientation" by Dr. Swarada Peerannawar - CEO, DPU FIIE on 17th February 2023.
7. DPU FIIE has organized a Guest Lecture on Design Thinking, Critical Thinking on 24th February 2023 by Mr. Ninad Panse CEO Skilling & Education at AP Globale (A Sakal Media Group Company)

8. "International Women's Day" (08th March 2023) was Organised by DPU FIIE & Dr. D. Y. Patil College of Optometry & Visual Sciences,
 9. Dr. D. Y. Patil School of Science & Technology & DPU FIIE had organized a Self Driven Activity on IPR on 31st March 2023, by Dr. Swarada Peerannawar - CEO, DPU FIIE
 10. Dr. D. Y. Patil College of Ayurved & Research Centre, Pimpri, Pune had organized a Workshop on Intellectual Property Rights (IPRs) and IP management for startup" on 17th April 2023 by Dr. Swarada Peerannawar - CEO, DPU FIIE.
 11. "World Creativity and Innovation Day" (21st April 2023) A whole day workshop, Idea presentation and debate session was organized by Dr. D. Y. Patil College of Physiotherapy, Pimpri, Pune.
 12. On the occasion of "World Intellectual Property Rights Day" DPU FIIE had organized a Workshop on IPR with the help of Indian Patent Office under the flagship of NIPAM. Mr. Jatin J. Darve - Examiner of Patents & Designs, Patent Office, Mumbai, Ms. Namrata Chadha, LLB, M. Pharma (BHU), Registered Patent Agent, Certified Patent Valuation Analyst & Dr. Swarada Peerannawar, CEO DPU FIIE delivered the lecture on 26th April 2023.
 13. "National Technology Day" (11th May 2023) a whole day workshop, Idea presentation and debate session was organized by Dr. D. Y. Patil Biotechnology & Bioinformatics Institute
 14. "World Environment Day" (5th June 2023) was organized by Dr. D. Y. Patil Homeopathic Medical College.
- Dr. Swarada Peerannawar, CEO, DPU FIIE has Invited for Indian Health Dialogue (IHD) Launch Event on 3rd May 2023 at ICMR HQ, AIIMS Campus, Delhi.

DPU FIIE has filed 9 Patent applications and 10 Patent Applications are published (1 International Patent and 9 Indian Patents). During this period 1 Design application is filed and 4 Design applications are granted and published. Apart from this 43 copyright applications are filed and 11 Copyright applications are registered on the name of Dr. D. Y. Patil Vidyapeeth, Pune. Startup Shushrut Designs Pvt. Ltd. from the community is now incubating with DPU FIIE. Dr. Nilesh Rathi, from Dental College has received the prestigious BIG Grant for his innovation and he is incubating his company with DPU FIIE.

Dr. D. Y. Patil Medical College, Hospital and Research Centre

Induction Programmes for MBBS & BDS students was held on 3rd January 2023, Dr. Mohit Gupta, Professor of Cardiology, G. B. Pant Hospital, New Delhi was the Chief Guest for the program. Total 850 and above participants were attended the program. Total 850 and above participants were attended the program.

Guest Lecture on "World Healthcare System in India" scheduled on 7th January 2023. Dr. Ravi Godse, MD Physician, USA, 180 participants were attended the lecture on 7th January 2023.

Department of Microbiology organized Guest Lecture to launch the CDC approved John Hopkins University collaborative study Global Action in Healthcare Network (GAIHN) on 14th January 2023, Dr. Patricia Trish, Associate Professor., John Hopkins School of Medicine was the Guest Speaker. 165 participants were attended the lecture.

The CME was inaugurated by Radio-diagnosis Dr. (Mrs.) P. Vatsalaswamy, Medical Director and Dr. J. S. Bhawalkar, Dean of Medical College on 22nd January 2023. There were four outside Faculties who conducted CME of which three faculties were from outside and one from Department of Radiodiagnosis. Total 114 were delegates for the CME.

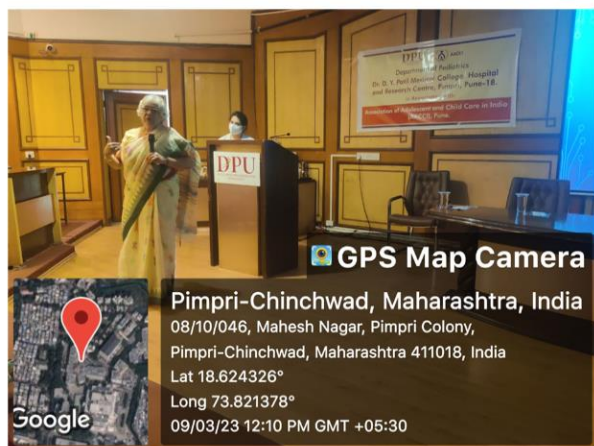

CPC meeting was held by pathology department with Ophthalmology department on 15th February 2023 by offline mode. It was attended by 53 participants from both departments. Three interesting cases were discussed and additional three HP slides were demonstrated especially for PG students. Department of Ophthalmology presented the cases; provided the clinical inputs with beautiful video demonstrations.

"Genetic Clinic and Counselling Centre" was inaugurated at the Hands of Respected Dr. Yashraj Patil, Trustee and Treasurer on 17th February 2023 on celebration of birthday of Hon'ble Dr. P. D. Patil, Chancellor, Dr. D. Y. Patil Vidyapeeth, Pune.

"World Obesity day" was successfully celebrated on Thursday, 9th March 2023 at Dr. D. Y. Patil Medical College, Hospital & Research Centre, Pimpri, Pune. There has been a constant rise in childhood obesity and more so after Covid. It is an ongoing Pandemic. Childhood obesity predisposes the child for early non communicable diseases like T1DM, Hypertension, NASH as well as Mental disorders at an early age. The key to preventing obesity is to act early, ideally even before a baby is conceived. Awareness can bring change in this scenario.

Department of Pediatrics in association with Association of Adolescent and Child Care in India (AACCI), Pune had arranged a guest lecture on 9th March 2023 at 11.30 am in Medical College Auditorium. An eminent speaker Dr. Anagha Jaikar, Tasmania University, Australia delivered a talk on an important topic "Management and Prevention of Sexual Abuse."

Dr. D. Y. Patil Dental College and Hospital

Department of Periodontology, Dr. D. Y. Patil Dental College and Hospital, Pimpri, Pune, in association with ISP Study group Pune and Indian Society of Periodontology organized **8th ISP Colloquium 2023** on 28th January 2023. Department of Periodontology in association with Indian Society of Periodontology celebrated **National Periodontists Day** on 23rd February 2023 to create awareness about importance of Periodontology health in overall Oral and Dental Health.

CDE Program on 'CBCT workshop for General Practitioners - A New Era in Dental Imaging' : March 21, 2023.

The Department of Oral Medicine and Radiology, Dr. D. Y. Patil Dental College and Hospital, Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune had organised a CDE program under IQAC initiative titled '**CBCT workshop for General Practitioners - A New Era in Dental Imaging**'. The CDE program was credited by MSDC with 6 CDE points (Ref: MSDC/CDE/2492/2022-2023).

The key speakers for the program were Dr. Anuj Paul Maini, Dr. Amita Aditya and Dr. Sukanya Das. The organizing chairman of the event was Dr. Sunil Mishra, Professor & Head of the Department of OMR, Dr. D. Y. Patil Dental College and Hospital. Dr. Amita Aditya, Professor of OMR and Dr. Shraddha Jugade, Assistant Professor of OMR, Dr. D. Y. Patil Dental College and Hospital were the Organizing secretary of the event. Several positive feed backs were received from the delegates post workshop, which included UG and PG students, faculty and private practitioners.

National Oral Medicine and Radiology Day: April 21, 2023

Department of Oral Medicine and Radiology, Dr. D. Y. Patil Dental College and Hospital, Pune celebrated the "NATIONAL ORAL MEDICINE AND RADIOLOGY DAY" on 21st April 2023 by Organizing an array of events. A Skit competition was organized to underline the importance of the specialty. Both students and faculty members participated in it enthusiastically. It was followed by cake cutting ceremony, Quiz competition for Dental students and Logo competition. The event was conducted successfully and garnered much positive feedback from staff and students.

World No Tobacco Day: May 31, 2023, Department of Oral Medicine & Radiology:

On account of World No Tobacco Day, which is observed on 31st May, a skit and “Awareness talk on Tobacco Cessation” was organized by the Department of Oral Medicine & Radiology in association with Lifepoint Multispecialty Hospital, Wakad. The “Awareness Talk on Tobacco Cessation” was done by the Postgraduate students and the skit was performed by interns and undergraduate students at Lifepoint Multispecialty Hospital at 8:00 am. The patients were educated about the harmful effects of tobacco and the potential risk it can cause including the development of oral potentially malignant lesions and disorders. The students were appreciated for putting up a good show and were awarded medals as a token of appreciation by the hospital.

Department of Conservative Dentistry and Endodontics

Integration of Microscope in Endodontics and Restorative Practice

Department of Conservative Dentistry and Endodontics organized a Faculty Development Programme in the form of Lecture, Demonstration and Hands-on by Dr. P.D. Joshi, Adjunct Faculty, Dr. D. Y. Patil Dental College and Hospital, Pimpri, Pune on the topic “Integration of Microscope in Endodontics and Restorative Practice” on 26th April 2023 from 8:30 am to 2:30 pm under IQAC initiative for the staff and post-graduate students of the department and students of Fellowship department.

He gave an introduction of microscope and need for microscope in endodontics and restorative dentistry. He also explained the clinical applications and scope of microscope in dentistry. There was demonstration on live patients on instrument retrieval, calcified canal, missed canals with the use of microscopes for faculty and students

Integration of Microscope in Endodontics and Restorative Practice

Department of Conservative Dentistry and Endodontics organized a Continuing Dental Education Programme ‘Endodontics Revolutionized’ on 3rd February 2023 under IQAC initiative. This lecture was given by Dr. Prashant Bhasin, Professor & HOD, department of Conservative dentistry and Endodontics, Sudha Rastogi Dental College, Faridabad.

He gave extensive interactive lecture on rotary endodontics. There was also demonstration on chemo mechanical preparation of canals via resin blocks. Workshop on Blood Stem Cell Donation Awareness and Registration

Dr. D. Y. Patil Homeopathic Medical College and Research Center has Organized One Day workshop on Blood Stem Cell Donation Awareness and Registration on 28th February 2023 at 10:30am to 12:30 pm. Venue was Dr. D. Y. Patil college of Nursing, Multipurpose Hall.

Ms. Sonali A. Bhandarkar had introduced the topic. DATRI is a not for-profit organization registered in 2009 as a Section 8 company under Government of India. DATRI is one of the largest unrelated blood stem cell donors registry in India, that helps patients with blood cancer and other fatal blood disorders to find a HLA matched Blood Stem Cell donor.

DATRI was founded by Dr. Nezh Cereb and Dr. Soo Young Yang in 2009. The NGO works with a mission to save the lives of patients with Blood Cancer, aplastic anemia, Thalassemia and other severe blood disorders. In 2017 the foundation appointed Darasing Khurana, who was awarded Mr. India International in 2017, as its Brand Ambassador. The organisation was started with the objective of finding willing HLA matched donor for every patient with fatal blood related disorders and in need of a blood stem cell transplant.

DATRI is a registered member of World Marrow Donor Association (WMDA) and lists the HLA typing information anonymously in Bone Marrow Donors Worldwide (BMDW), a search program of WMDA available to Transplant Centers globally. It is currently India's largest Blood Stem Cell Donor's Registry. In June 2022 it created a milestone in the history of unrelated blood stem cell donations in India by facilitating its 1000th blood stem cell collection.

In December 2019, DATRI celebrated 10 years of saving lives in Chennai. So far 1074 donors from DATRI have given patients a second chance of life. As of January 2023, DATRI had over 5 lakhs registered donors. DATRI had been spreading awareness on registering as a Blood Stem Cell Donor through numerous drives and camps in educational Institutions, corporates and residential areas since its inception in year 2009. These campaigns had resulted in creating considerable awareness in society among youngsters and professionals. The campaigns helped in increasing the number of volunteer donors for donating blood stem cells to save the life of an unrelated patient. Currently, DATRI is India's largest adult unrelated blood stem cells donors registry with more than 5 lakhs registered volunteer donors and has facilitated around 1074 donations to date including donations from International patients and also serviced patients from over 125 hospitals from across world.

From our College **total 150 Participants** were present Dr. D. Y. Patil College of Nursing Dr. Vaishali Patil (Associate Professor), Ms. Puja Saha, Ms. Abigail Bhingare, Ms. Pratiksha Sutar, Ms. Shraddha Pakhare and Mr. Karem Shaikh were Attended this Workshop .

Seminar on Scholarship for Higher Education at Abroad on 23/03/2023

The seminar on Scholarship for Higher education at Abroad organized by Dr. D. Y. Patil College of Nursing Placement cell in collaboration with Edwise overseas education consultancy, Pune on 23rd March 2023 at 10.30 am to 11.30 am in the Multipurpose hall 1 of Dr. D. Y. Patil College of Nursing, Pimpri-Pune-18 for the all the Final Year B.Sc Nursing, P.B.B.Sc Nursing, M.Sc Nursing students .

Dr. Kavita Kelkar, Placement incharge, welcomed **Mr. Shubhash Pol**, business development manager, and **Ms. Shruti Pawar**, marketing executives of Edwise overseas education consultancy, Pune, to the seminar.

Mr. Shubhash Polo has started the session by giving information about the Edwise Overseas Education Consultancy, Pune. He talked about the purpose of the consultancy. He discussed the fact that foreign universities are giving scholarships to students to catch up with the bright students from the various parts of the world, with the trend that alumni are paying back to universities in the form of donations and to cultivate a multicultural ecosystem in education.

Mr. Pol also discussed scholarships available at universities in various states such as the United Kingdom, the United States, Australia, France, and Ireland for various master courses. He also informs about scholarships offered by the Indian government and institutes, such as the government of Maharashtra, the Commonwealth, Aga Khan Education Trust Goa, and the Great India Scholarship. The fees include total tuition, visa processing fees, flight tickets, and sometimes laptop expenses.

Criteria for applying for a scholarship -Admission letter or offer letter from one of the top universities, Parents income is less than \$ 8 lakh per year. A student should be good in academics, excellent in extracurricular activities (having a national or state-level certificate), have an innovative idea for starting a business or being an entrepreneur, and have good social skills.

Process for applying scholarships-the appropriate months to apply are September and January. Duration: 6–9 months, login on the scholarship portal of the respective top-most universities in Abroad, conditional letter and unique ID will be issued automatically.

Some student testimony was shown at the end of the seminar. A question and answer session was held.

Overall, the seminar was very informative and educational for the students. **Total 71 students** were present for the seminar.
