Rev: 01

**VALUE ADDED COURSE EXAMINATION
JANUARY 2024**

Academic Year: 2023-24

Programme Name:	BBA	Semester:	II	Date of Paper:	10/01/2024
Course Name:	Financial Tools in Agri Business Management				
Max. Marks:	25	Total Questions:	7	Duration:	1 Hour

Important Instructions

- Solve any **FIVE** questions.
- Marks on the right indicate full marks of the question.

Q1)	What is the purpose of a cash flow statement in agribusiness, and how does it differ from an income statement?	[05]
Q2)	Explain the concept of Net Present Value (NPV) and its importance in evaluating long-term agricultural investments, such as purchasing new farm equipment.	[05]
Q3)	How can the break-even analysis be applied to determine the minimum crop yield required for a farmer to cover their costs?	[05]
Q4)	Describe the role of futures contracts in managing price risk for agricultural commodities. Provide an example of how a farmer might use this financial tool.	[05]
Q5)	What is the significance of the debt-to-equity ratio in assessing the financial health of an agribusiness? What is generally considered a good ratio in this sector?	[05]
Q6)	Explain how depreciation is calculated for farm assets and why it's important for both tax purposes and financial planning in agribusiness.	[05]
Q7)	Compare and contrast the use of operating loans versus equipment loans in agribusiness. When would a farm manager prefer one over the other?	[05]

Director

This value-added programme served as a guiding light for the students. Through this programme students were able to identify and analyze new opportunities in the agriculture sector. Students were provided with in depth knowledge about the financial tools in agribusiness management.

The session concluded with students' questions related to the concept of financial tool, how to use them in the real corporate world, do these tools really work, are they really helpful to the farmers and entrepreneurs, etc. questions were answered.

Mr. Gadge's guidance helped students to analyze and understand the scope and efficient use of the financial tools available in Agribusiness sector.

Subject: Invitation to conduct Value Addition Course from 08th January 2024 to 10th January 2024 for MBA Agri-Business Management (ABM) Students

Dear Sir,
Greetings from Global Business School & Research Centre, Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune. In GBSRC, since 2006, we have been imparting quality to education for management students.

We are happy to inform you that we are organizing Value Addition Course titled "Financial Tools in Agri Business Management" for MBA Agri-Business Management (ABM) students from 08th January 2024 to 10th January 2024.

For this Value Addition Course, we would like to invite your good self as a Resource Person to address our students. Through the Value Addition Course we would also like to provide an interface for the students and faculty to interact with the leading industry experts. The purpose of organizing this program is to highlight and explain the present status and future opportunities and challenges for management students and orient them to the importance of meaningful education at the campus.

A brief schedule of your session is as follows:

Day & Date: Monday to Wednesday 08th January 2024 to 10th January 2024

Time: 10.00 am to 04.00 pm

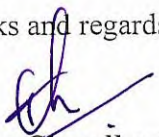

Mode: Offline Mode

Title: Financial Tools in Agri Business Management

We look forward to grace the occasion with your valuable presence.

For further details, please contact Prof. Nidhi Sah – Asst. Professor – GBSRC – +91 9870711749

With thanks and regards,

Dr. Chetan Chaudhari
